November 2020

The November meeting of the Zia Board of Directors will be held
November 19th via Zoom

If any Zia member has any issue for the Board to discuss
please contact a Member At Large listed on page 3 of this newsletter.

Membership Renewal Time...Almost!

It is almost that time! Zia membership renewals start in January. Renewal applications will sent out with your newsletter beginning in January. Or you will be able to get them from the web site. For new members, and not so new, there are a few items to keep in mind.

The membership term is April 1, 2021 - March 31, 2022.

You must mail in your renewal and payment, either check or money order. Even though you can get the renewal application off the web site and fill it in there, you cannot email it in. And Zia is not yet set up to receive credit card payments.

Even if you just joined Zia in November, you have to renew for the coming year.

If you renew after April 30th you will pay a \$35.00 late fee. If you have not renewed by May 1st, your gate key will be deactivated. Once your renewal application and payment is received, your key will be reactivated.

You are required to do the test. Think of it as a little refresher course on range safety and club procedures. Just do it.

You must sign the waiver. And your associate, if you have one, must sign as well. It will be returned to you if it is not signed.

Do not forget to enclose the self addressed stamped envelope so that we may return your new membership card to you.

The mailing address for membership is: (it is on the renewal form) Zia Membership • PO Box 16 • Cedar Crest, NM 87008
