### *www.ziarifleandpistolclub.com is Working!*

Our web site is up and running! Thank you Joel Martin! Although there is still work to be done on it, we are all happy to have it back.

### *Notice from New Mexico Shooting Sports Association*

We are still months away from the 2022 New Mexico Legislative Session, but anti-gun politicians are already at work coming up with the bills they will introduce next year. Today (September 2nd) at a [press conference](#), three new anti-gun measures that will be introduced as bills in 2022 were announced by a group of Albuquerque Democrat State House members.

1. **Mandatory firearm storage**, if you do not keep your guns at home in a safe or disabled by a gun lock, you could face criminal penalties. Some legislators have suggested [felony penalties](#) for gun owners who fail to comply.
2. **Magazine bans**, "reduce high-capacity magazines" was the exact language used in the press release.
3. **"Office of Gun Violence Prevention"**, a version of this bill that failed in 2021 would have created a committee to hand out taxpayer dollars to anti-gun groups who then would use the money to lobby against your rights.

These three new proposals are on top of a proposed expansion of the "red-flag" gun confiscation law that was stopped in 2021, but the sponsor has already said they would [bring back in 2022](#).

It was windy - probes were maxed out and a changing wind direction, this tested us and we didn't shoot any good scores but I think all had some fun.

We had our first tournament in a long time and had seven shooters. Two shooters came down from Farmington and showed our locals the winning ways. Kurk P. was the high scoring shooter. Art was second and Walton from Farmington came n third. I think everyone enjoyed themselves and thank all for shooting.

Dear Second Amendment Supporters:

The shooting death of a 13 year old by another 13 year old at a middle school in Albuquerque has anti-gun politicians pushing Senate Bill 224 from last session to be considered during next year's 30-day fiscal session. As you may know, the governor has the power to add non-budget matters to the session agenda.

Old state Senate bill gets revival and could be renamed 'Bennie's Law' | KOB 4 <<https://www.kob.com/albuquerque-news/old-state-senate-bill-gets-revival-and-could-be-renamed-lsquobennies-lawrsquo/6208953/>>

Below is a copy of an alert we sent out during the 2021 session on SB 224, which failed to pass. We will need folks to familiarize themselves with this bill and be prepared to testify in-person or virtually in January 2022 if indeed this gun control measure is heard in committee!

Sincerely,

Tara Mica  
NRA-ILA State Director  
Cell 512-636-9314

## SB 224: Lock Up Your Guns or Face State Charges

Dear New Mexico NRA Member:

Another legislative session -- another ineffective, intrusive and unenforceable gun control proposal. You wonder what they'll come up with next? Well, here it is: Senate Bill 224 <<https://www.nmlegis.gov/Legislation/Legislation?Chamber=S&LegType=B&LegNo=224&year=21>> by Sen. Antoinette Sedillo Lopez (D-ABQ), who must be auditioning for anti-gun billionaire Bloomberg's support in her campaign for the 1st Congressional District.

SB 224 reads as follows: "It is an offense for a firearm owner or authorized user to store or keep a firearm in any premises unless the firearm is secured in a locked container or secured by a gun lock or other means so as to render the firearms inaccessible or unusable to any person other than the owner or authorized user."

You could be fined up to \$500 for failing to do so, or \$1,000 if a minor, an "at risk" person or a prohibited person obtains the firearm. Both are misdemeanor penalties.

But, it doesn't stop there. The bill could actually make you a criminal if a minor were allowed access to your firearm, unless he or she is at least twelve years of age and has already successfully completed a firearms safety training course. So you could be charged with a misdemeanor for teaching your kid how to shoot.

Please contact your state senators and urge them to OPPOSE SB 224! You may also find contact information for senators here <[https://www.nmlegis.gov/Members/Legislator\\_List?T=S](https://www.nmlegis.gov/Members/Legislator_List?T=S)>, and if you don't know who your senator is, click here <[https://www.nmlegis.gov/Members/Find\\_My\\_Legislator](https://www.nmlegis.gov/Members/Find_My_Legislator)>.

## Contact Governor Michelle Lujan Grisham TODAY!

The State of New Mexico will no longer allow gun shows at state-run facilities. The New Mexico Gun Collectors Association, which had been holding shows at EXPO New Mexico at the State Fairgrounds in Albuquerque for more than 40 years, was given verbal notice that their October show has been cancelled for that reason. Rocky Mountain Gun Shows has been told that their November show at the same facility is a no-go as well. After months of cancellations ostensibly due to COVID-related issues, the gun control boom was finally lowered on promoters of these legal events where honest citizens have lawfully exercised their Second Amendment right to purchase and own firearms for decades. Gun shows are no longer welcome on state property, nor are their customers, their rights and the boost they provide to the state and local economy.

EXPO New Mexico is a state agency that, according to its website, works closely with the State Fair Commission to carry out day-to-day operations and host and produce events at the facility. Governor Lujan Grisham appointed all seven members of the State Fair Commission back in September of 2019. From the Commission's website, it appears that the last time the Commission gave notice about a meeting, when it actually met, and the last meeting for which minutes are available, was January of 2020. Nothing in those minutes mentions EXPO staff or the Commission taking action to end gun shows at the State Fairgrounds. Further, the New Mexico Legislature has not adopted legislation prohibiting such events on state property. So where does this sudden misguided policy change come from?

All signs point to Governor Michelle Lujan Grisham. Not to be outdone by her Left Coast recall colleague Gavin Newsom and anti-gun extremist lawmakers in the California Legislature who are considering a similar ban, she appears to have wildly wielded her executive power to use a state agency to target gun owners and throw a pre-election year bone to radical gun control activists. This is in spite of the fact that just two years ago, she signed into law NRA-opposed Senate Bill 8, the so-called "universal background check" bill, which supposedly closed the non-existent "gun show loophole" and required criminal records checks on private firearms sales at such events.

Senate Bill 8 has been a colossal failure, as proven by the lack of any prosecutions for violations of the law and the skyrocketing murder rate in Albuquerque. So, either the governor's new policy is a tragic admission of that gun control failure or an action that reveals the true motive of the gun control movement: to end gun shows altogether.

Contact Governor Michelle Lujan Grisham TODAY by phone at (505) 476-2200 and by email here <<https://www.governor.state.nm.us/contact-the-governor/>>. Tell her to reverse this policy and allow gun shows back at EXPO New Mexico and state fairgrounds. Urge your fellow gun-owning New Mexicans to do so as well!
