Hi Folks -

NRA/ILA

NRA-ILA will be conducting a series of grassroots meetings across New Mexico the last week of September and early part of October to talk about two anti-gun measures that we suspect will be considered in the New Mexico Legislature in 2022: mandatory firearms storage requirements and limits on magazine capacity. We will be alerting NRA members in the areas near these meeting locations over the balance of this week, but I wanted to make sure you knew about them in case you're not on NRA-ILA's email alert list or in the radius/universe we're notifying.

We may look at hosting some additional meetings in other areas of the state in early November. If you live in an area which is not on this list and you know of a free or low-cost venue where we can hold a meeting, please send me a separate email and let me know.

Thanks~

Tara Mica
