WATCH YOUR STEP!

Yes, we do have snakes at the range! Especially this time of year. And because activity at the range has slowed some, they seem to be out and about more. Please remember, you **cannot shoot them!** (Member Guidebook, item 9, Policy and Procedures.) Just keep an eye out, and remember: they don't want to be bothered any more than you do! This guy was spotted at the smallbore silhouette range across from the clubhouse. Thank you Joel Martin for the pic!

June 5th 600 Yard Rifle Match Results

Finally, a morning with minimal wind! We had eight shooters for the match which included a first timer. Targets went up at 9:00 am with one shooter setting up his newly constructed ShotMarker frame. The first 20 shot string started at 9:30 and as usual, generous amounts of BS was exchanged during the down time between strings and after the shooting was finished. Next match will be on July 3rd. Call Pat, (505)266-8904, with any questions.
