September 2022

The **September** meeting of the Zia Rifle & Pistol Club is scheduled for **Thursday, September 15th** at 7:00 PM at **Bear Canyon Senior Center, 4656 Pitt NE**. All members are welcome and encouraged to attend. If there is anything you would like to discuss, please contact Secretary, Chris Garrett.

See you there!

It's Back! And Better Than Ever!

We are pleased to announce our new website has finally arrived! You can check it out at: www.ziarifleandpistolclub.com

We've worked hard to make it as straight forward and user friendly as possible. You will see changes to the website over the coming weeks as we work with the activity chairpersons to update and enhance the information on each of the activity pages. We will also be working behind the scenes to modernize both the new member application and current member renewal processes. We hope to have both of these processes online within the next several months.

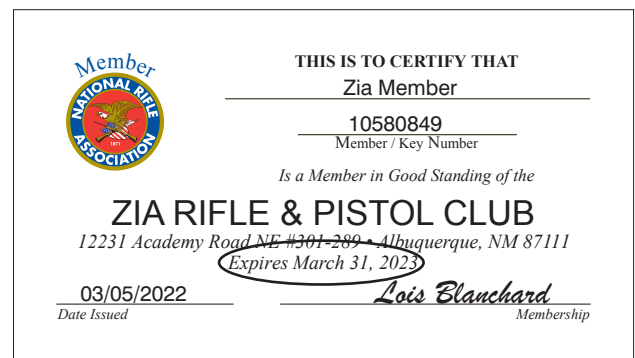

Please feel free to submit suggestions and/or comments to:

Pat Milesosky, President
Heidi Chowning, 1st Vice President
Joel Baca, 2nd Vice President
Chris Garrett, Secretary

We are asking Zia members to help out and be vigilant on who gets into the Zia Range.

When going into the range, if a car pulls up behind you, wanting to follow you through the gate, please ask to see that person's membership card and verify that their membership is current. Do not accept a gate key as proof of current membership as the gate keys of members who have not renewed, are not returned, just deactivated. This is also true if someone approaches and asks to be let in the range because their key is not working. Please ask to see their membership card and verify the expiration date. If they get cranky with you and don't want to show you their card, just say you're sorry, but you cannot let them in without verifying their membership.

Thank you!

Zia BOD Meeting Minutes, July 21, 2022

The July 21, 2022 BOD meeting was called to order at 7:00 p.m. at the Bear Canyon Senior Center, with club President Pat Mileschosky presiding. A quorum of the BOD was achieved with 15 of 20 BOD members in attendance.

Item I - Approval of agenda and minutes

The agenda for the July 21, 2022 meeting was approved without changes.

The minutes for the June 16, 2022 BOD meeting was approved without changes.

Item II - Treasurer's report

Club President Pat Mileschosky presented the previous treasurer Jack Cleary with an Honorary Membership to be renewed each year until such time he does not need it.

Club Treasurer Gary Wells presented a report on the past month's flow in and out of the Treasury. He informed the board that changes to our accounts are nearly complete. Gary also let the board know of a change to the Club's mailing address, which should be active soon (the new address will be in the Newsletter and on the new Website.)

Item III - Old Business

Update on Junior Activity computer: Joel Martin, Jr. Training Chair reported the new computer was purchased, installed, and is working well.

Update on range trailers: Pat Mileschosky, Club President reported the club completed the purchase of a 6' x 10' trailer which still needs to be titled and registered. The tandem axle trailer was re-registered for off-site use.

Update on new website: Pat confirmed the club does own the domain and there is a meeting to review the new site on Monday the 25th.

Item IV - New Business

Junior ROTC Trip Report: Two young women in Jr. ROTC came and reported on their trip to the Junior Olympics in Michigan. It sounds like they had a fantastic experience, and they thanked the club for helping with travel expenses.

New Electronics for ARA Benchrest: Jim Pollard, ARA Benchrest Chair requested funds to purchase a new computer, scanner, and air tight case (to protect the scanner) for his activity. A motion was made to authorize up to \$2500, was seconded, and passed.

Range Cleanup: Pat Mileschosky, Club President informed the board we are in the final year of our current lease with the State of NM for the range property. He outlined a plan to spruce up the range over the next few months with the goal of inviting State official(s) for a visit. He emphasized getting rid of junk/debris, painting sheds and containers in a consistent color scheme, and replacing or repairing structures that need it. He reminded the Activity Chairpersons that they are responsible for their portion of the range in this regard. Pat will be identifying areas that need special attention and research getting a dumpster to help with the cleanup.

Rimfire ARA Benchrest Procedure Change: Closure of the adjacent ranges during Smallbore Rifle Silhouette was successful in improving match safety and did not meet with heavy resistance from affected members. The board discussed a similar closure of the adjacent ranges for the Rimfire ARA Benchrest activity. A motion was made, seconded, and passed.

Item V - Adjourn

After discussing all items on the agenda, and there being no further business, the meeting was adjourned at 7:40 p.m. The next BOD meeting will be held on August 18, 2022 starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

Results of the Bench Rest Rifle Silhouette Match August 15, 2022

The wind was only 5 mph to begin, kind of cool and for some reason there were some complaints that no one could group very well at the Rams. We don't know why???, myself included. Anyway, old age and treachery (David Orchard) prevailed as he pulled out 33 for the win! Way to go Dave!! The new guys Kevin and Bryan were in the high 20's and low 30's just wait until they get more matches under their belts.

First time shooters were Kevin B and Bryan B from Rio Rancho and Gary Devlyn from Edgewood.

The bench rest rifle silhouette (formerly known as “Mouse Gun”) match is held on the second Sunday of each month. This coming month (September) the match will be on September 11th.

For those of you that are wondering what we do...

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2”x2” in size. The pigs which are roughly 3”x4” are set at 100 meters, the turkeys, roughly 3”x5” tall are set at 150, and the rams 6”x4” are at 200 meters. All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited “sighters” at the beginning sighters being shots that are fired at a 8”x11” steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the “sighters” stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150meters, and 10 rams at 200 meters. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus “sighters”.

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.
