Zia BOD Meeting Minutes from September 15, 2022

The September 15, 2022 BOD meeting was called to order at 7:00 p.m. at the Bear Canyon Senior Center, with club President Pat Milesosky presiding. A quorum of the BOD was achieved with 17 out of 20 BOD members in attendance.

Item I - Approval of Agenda and Minutes

The agenda for the September 15, 2022 meeting was approved with two additions (fill the open Member at Large position and a proposed change to the Club's paper newsletter policy.)

The minutes from the August 18, 2022 BOD meeting was approved without changes.

Item II - Treasurer's report

Club Treasurer Gary Wells presented a report on the health of the club and was approved without changes. Gary also requested each Activity Chair send him an inventory of their respective activity's assets by the end of October.

Item III - Old Business

NMSSA Presentation: Peter Ide, MAL invited Zach Fort and Anthony Segura from the New Mexico Shooting Sports Association up to address the Zia BOD. Zach and Anthony thanked the Club for the generous donation at their annual meeting and discussed how the funds would be used to support the challenges gun owners are facing in the upcoming legislative year.

Nomination Committee: Joel Baca reported all but one of the current board members agree to serve for another year and have their names listed on the ballot in January. Jim Klein, Wobble Trap Activity Chair is actively seeking a replacement for his position.

New Website: Pat Milesosky, Club President reported that the new web site is online and thanked Heidi and Chris for the hard work to get the site online and most of the activity pages updated. The next enhancement for the website will be a fully-online process to apply for Membership to Zia to include electronic processing of the Orientation fee.

Range Cleanup: Pat then updated everyone on plans for cleaning up the range. A dumpster will be placed on the range in the next month so folks can start filling it.

Rimfire Steel Activity: Ted Simmons, Rimfire Steel Activity Chair gave an update on the progress for this new activity. We are good on targets, stands, timers, etc. Next steps are to create sign-up and scoring forms, hold an activity dry run, and then get on the calendar.

Cont. from page 1

Item IV - New Business

Local Embroidery: Vic Echeverria, MAL got information from ABQ Apparel, a local embroidery and screen printing shop, about making Zia Logo gear. This information will be used in the next few months as we evaluate new logos.

Youth/Junior Rimfire Pistol: Alan Sonntag asked the board about leading a Junior Rimfire Pistol program as an addition to the current Junior program. The BOD was interested in the idea and we had a lot a good discussion. You will probably be hearing more about this in the upcoming year.

Member at Large: Pat Mileschosky, Club President reported that out of the three potential people interested in the open Member at Large position, two decided to withdraw. Javier Chavez came forward and introduced himself as a qualified member who would serve the club in this regard. A motion was made to accept Javier into the position, was seconded and passed.

Paper Newsletters: Heidi Chowning, 1st VP discussed the costs associated with printing and mailing paper newsletters to a small portion of the membership. Following some lively discussion, a motion was made to 1.) remove the paper newsletter option from the new member form and 2.) add a \$12 per year newsletter fee to the annual renewal form. This solution will partially offset the cost while keeping the option available for existing members who prefer a paper newsletter. The motion was seconded and passed.

Item V - Adjourn

After exhausting all items on the agenda, and there being no further business, the meeting was adjourned at 8:23 p.m. The next BOD meeting will be held on November 17, 2022 starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

Newsletter Change

In an effort to be environmentally friendly and cost effective, Zia is moving toward more digital services for it's members. As approved at the September board meeting, effective in January, 2023, members currently receiving paper versions of the newsletter who wish to continue receiving the newsletter in that format, will incur a \$12 annual administrative fee. This fee will be paid in conjunction with the 2023-2024 annual membership renewal. Members wishing to change to the digital option may do so at any time by sending an email with their name and member number to:

newsletter @ziarifleandpistolclub.com,
or indicating such on their annual renewal form. Members currently receiving a digital newsletter and new members will no longer have the option to receive a paper newsletter.

Thanks to Peter Gregory for both taking over Wobble Trap, and letting us bump that activity to next week so we could shoot Sporting Clays today. I appreciate your willingness to brave the winds to come out and shoot. Special thanks for all the help today.

Scores were a little lower than normal but it was still fun.

It is amazing that the first six placements of the match all scored above 30! **John Benson** and **Sid Gariss** tied with 35, and after a shoot off, John placed 1st with Sid coming in 2nd.

Sid Gariss and John Benson in a 1st place shoot off

Tom Foreman placed 3rd with 32 and there was a 3 way shoot off for 4th place, between **Ted McTammany**, **Sharon Foreman** and **Matthew Pierce**. When the smoke cleared, it was Matthew in 4th place, Ted in 5th place and Sharon in 6th.

As you can see by the score sheet, there were multiple 5 in a row awards and a couple of 10 in a row accomplishments. What an exciting day!

1/5 size target results:

The 1/5 size competition was close as well with first time shooter **Matthew Pierce** placing 2nd with 19 and shooting 5 chickens in a row. Not an easy feat.

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 meters, 10 pigs at 60 meters, 10 turkeys at 77 meters, and 10 rams at 100 meters. A total of 40 rounds are needed for a match plus sight in rounds.

We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full time allowance, if all competitors in that relay have completed firing.

Time Allowances:

Ready Time - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**. Two and one half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

Alibis - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

Shoot-offs - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the command **CEASE FIRE** and **READY**.

Setup starts at 8:00am. We will have a sight in/practice period starting after set up and will start the match promptly at 9:00am.

This event is open to any Zia member/guest and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

The small bore rifle silhouette match is held on the first Sunday of each month. **The next match will be on October 2nd.** I hope you can make it!

The adjacent bench rest/plinking range to the immediate West of the Small Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety. Please note: Although the posted sign states that the range will be closed from 8:00am 2:00pm, as soon as the small bore rifle silhouette match is over, the adjacent range will be open to the public. Historically our matches run no later than noon.

Results of the Bench Rest Rifle Silhouette Match

October 9, 2022

The weather forecast was for overcast skies and upper 50s, late chance of rain, but nothing happened, not even wind! It was very calm! We had 10 shooters, including new shooters, Jerry C. Who shot a 28 on his first try and Sharon F. who tied her husband and veteran shooter Tom with 29. But what was most impressive was Bryan B. shooting 39 out of 40 - obviously taking first overall! Great job, Bryan! The rest of the field placed as follows:

Earl B.	36
John R.	34
Gary D.	31
Dave O.	30
Sharon F.	29
Tom F.	29
Kevin B.	28
Jerry C.	28
Erick L.	25

Thanks to all who attended, hope to see you in November!

The bench rest rifle silhouette (formerly known as "Mouse Gun") match is held on the second Sunday of each month. This coming month (November) the match will be on November 13th.

For those of you that are wondering what we do...

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2"x2" in size. The pigs which are roughly 3"x4" are set at 100 meters, the turkeys, roughly 3"x5" tall are set at 150, and the rams 6"x4" are at 200 meters. All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited "sighters" at the beginning sighters being shots that are fired at a 8"x11" steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the "sighters" stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus "sighters".

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.

Good shooting to Pat, J.D. and Kurt. The point spread between first and second was only 25 points on the total score. The spread was only 25 points between 5th, 6th, and seventh. The conditions were tricky and scores proved it. Kurt was first and JD was second, that was a close one.

Three people brought food and we had a good meal after the match. Thanks to Jay, Pat and Katrina. All I can say is one big THANK YOU! We have one more match this year, November 5th. Time changes November 6th, so do we want to draw for benches an hour later, 8:00, so it is daylight? Please let me know what ya think.
