Zia BOD Meeting Minutes from October 20, 2022

The October 20, 2022 BOD meeting was called to order at 7:01 p.m. at the Bear Canyon Senior Center, with club President Pat Milesosky presiding. A quorum of the BOD was achieved with 14 out of 21 members in attendance.

Item I - Approval of Agenda and Minutes

The agenda for the October 20, 2022 meeting was approved with two additions (new Wobble Trap Activity Chair and use of the range by NMHSCTA.)

The minutes from the September 15, 2022 BOD meeting was approved without changes.

Item II - Treasurer's report

Heidi Chowning, 1st VP presented the treasurer's report on behalf of Gary. She reported on the flow of funds from the previous month and the report was approved without changes.

Item III - Old Business

Activity Asset Inventory: Pat Milesosky, President thanked the Activity Chairs for providing the requested inventory information as we are close to finished with that effort.

Range Cleanup: Pat reminded everyone that a large scale cleanup is underway. He requested \$400 for a trash dumpster to be placed on the range. A motion was made, seconded, and passed. He plans to target a dumpster delivery for December 1st, to be picked up 30 days later.

Nomination Committee: Joel Baca reported the ballot is set for January.

Trap Carts: Lyn Carter, Sporting Clays Activity Chair had Ron Uilkie report on the bids to manufacture more steel trap carts. The best offer was for ten carts for \$11,000. After some discussion, a motion was made to authorize \$11k for the purchase of 10 carts. The motion was seconded and passed.

Item IV - New Business

Friends of the NRA: Joel Martin, Junior Training Activity Chair proposed the Club purchase a table at the Socorro Friends of the NRA banquet for the youth working the event. A motion was made for the required \$1000, seconded, and passed.

Venue for the Annual Meeting: Chris Garrett, Secretary started a discussion about securing a location. After some discussion, we are going to inquire with Glory Christian Fellowship Church on use of their building.

Continued on page 2

Wobble Trap: Jim Klein, Wobble Trap Activity Chair presented Peter Gregory to be his replacement. After introducing himself and agreeing to fulfill the role, a motion was made to accept him, seconded, and passed.

Use of the Range: Ron Uilkie, reported the New Mexico High School Clay Target Association wants to use the Sporting Clays course at Zia on November 6th as part of a larger shotgun competition. This would include having about 40 high school age competitors with Club members present to run the course. NMHSCTA offered Zia \$20 per competitor as an entry fee. After discussion, a motion was made, seconded, and passed.

Item V - Adjourn

After exhausting all items on the agenda, and there being no further business, the meeting was adjourned at 8:04 p.m. The next BOD meeting will be held on November 17, 2022 starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

Results of the Small Bore Rifle Silhouette Match November 6, 2022

The shooting line from Dennis Barnhart's perspective

What a day it was! The weather was extremely nice sunshine and virtually no wind. There were 18 competitors which resulted in 5 yes 5! relays. It is very exciting to see participation in this discipline increase monthly. It is our goal to develop an environment where everyone is comfortable and hopefully create a family friendly sport community.

This month we held our first (but not last) swap meet. As you can see from the picture above there were many items for sale/trade. Those that participated said that it was a success.

This coming month (December) we will be having pot luck. So far on the menu is gumbo with corn bread, green chili stew, red posole, flour tortillas, and apple dumplings. If history repeats itself, we will have many more great culinary dishes to choose from.

LOOK!

This is a homemade target propped up on the ARA Benchrest Target supports, and someone managed to shoot the rebar stand with a high-powered rifle. **Please do not use these five upright stands on the ARA Range for anything but Benchrest shooting!** Use the proper plinking range just to the west of the ARA range.

Thank you!

David Orchard, Denise McTammany and Claude Ferebee all shot the match but unfortunately did not enter their final scores on the scoresheet for record. Tom Foreman shot a 2nd relay non comp and got 35!

As you can see by the score sheet, there were multiple 5 in a row awards and a couple of 10 in a row accomplishments. What an exciting day!

Is there anything that this young man can't do? There was a tie for 2nd between Freddy Mora and Bill Sherman although there was no shoot off.

Zia Rifle & Pistol Club

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 meters, 10 pigs at 60 meters, 10 turkeys at 77 meters, and 10 rams at 100 meters. A total of 40 rounds are needed for a match plus sight in rounds. We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full time allowance, if all competitors in that relay have completed firing.

Time Allowances:

Ready Time - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two and one half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

Alibis - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

Shoot-offs - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the command **CEASE FIRE** and **READY**.

Setup starts at 8:00am. We will have a sight in/practice period starting after set up and will start the match promptly at 9:00am. This event is open to any Zia member/guest and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

The small bore rifle silhouette match is held on the first Sunday of each month. **The next match will be on October 2nd.** I hope you can make it!

The adjacent bench rest/plinking range to the immediate West of the Small Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety.

Please note: Although the posted sign states that the range will be closed from 8:00am 2:00pm, as soon as the small bore rifle silhouette match is over, the adjacent range will be open to the public. Historically our matches run no later than noon.

**Results of the Bench Rest Rifle
Silhouette Match
November 13, 2022**

Wow! Sunday's long range .22 bench rest silhouette had quite a turnout! 17 shooters! We welcomed back a few seasoned shooters and a couple of new ones. We had two full relays in rather good but cool weather until about 11:00am, and then it turned cold and windy. High score was Bryan B. with 34 noting 10 turkeys! Allie Terrel posted a respectable 24 for a first timer. Thanks to all for coming!

Thanks to all who attended, hope to see you in December!

The bench rest rifle silhouette (formerly known as “Mouse Gun”) match is held on the second Sunday of each month. This coming month (December) the match will be on December 11th.

For those of you that are wondering what we do...

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2”x2” in size. The pigs which are roughly 3”x4” are set at 100 meters, the turkeys, roughly 3”x5” tall are set at 150, and the rams 6”x4” are at 200 meters. All you need is a sand bag,

continued on pg. 8

continued from pg. 7

maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited "sighters" at the beginning sighters being shots that are fired at a 8"x11" steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the "sighters" stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus "sighters".

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.

600 Yard Rifle Match Results November 6, 2022

A blustery day greeted us when we arrived to set up. As is the case at Zia, the winds were swirling in every direction from the firing line to the targets which caused more than a few expletives to be heard. The shooters that have taken the time to learn to call the wind did well, others not so well and some were just plain lucky.

We will NOT be holding any matches for the months of December, January and February even though the calendar shows them. This is to keep the east range reserved for the 600 yard match when we resume in the spring. Any questions about this, give me a call.

It Is Almost Time To Renew Your Zia Membership!

It is almost that time! Zia membership renewals start in January. Renewal applications will sent out with your newsletter beginning in January. Or you will be able to get them from the web site. For new members, and not so new, there are a few items to keep in mind.

The membership term is April 1, 2023 - March 31, 2024. **Do not use last year's renewal form. Check the date on the top of the form. The new form for the coming year will be enclosed in your newsletter. It will be available at the web site in January.**

You must mail in your renewal and payment, either check or money order. Even though you can get the renewal application off the web site and fill it in there, you cannot email it in. And Zia is not yet set up to receive credit card payments. (We are working on that...I promise!)

Even if you just joined Zia in October, you have to renew for the coming year.

If you renew after April 30th you will pay a \$35.00 late fee. If you have not renewed by May 1st, your gate key will be deactivated. Once your renewal application and payment is received, your key will be reactivated.

You and your associate are required to do the test. Think of it as a little refresher course on range safety and club procedures. Just do it.

You must sign the waiver. And your associate, if you have one, must sign as well. It will be returned to you if it is not signed.

Do not forget to enclose the self addressed stamped envelope so that we may return your new membership card to you.
