To Be Approved: "All dues shall be paid by personal check, cashiers check, money order, credit card, debit card, or other means as deemed acceptable by the BOD."

Zia BOD Meeting Minutes from November 17, 2022

The November 17, 2022 BOD meeting was called to order at 7:00 p.m. at the Bear Canyon Senior Center, with club President Pat Mileskosky presiding. A quorum of the BOD was achieved with 13 out of 20 members in attendance.

Item I - Approval of Agenda and Minutes

The agenda for the November 17, 2022 meeting was approved with three additions (ladies class thank you, website testing, and report on NMHSCTA shoot.)

The minutes from the October 20, 2022 BOD meeting were approved without changes.

Item II - Treasurer's report

Heidi Chowning, 1st VP presented the treasurer's report on behalf of Gary. She reported on the flow of funds from the previous month and the report was approved without changes.

Item III - Old Business

Ladies Class: Heidi Chowning, 1st VP shared a thank you card from the recent ladies class participants.

Website Update: Heidi then reported on finalizing updates to the website activity pages and testing of the club email addresses.

Report on NMHSCTA Shoot: Ron Uilkie, member, and Lyn Carter, Sporting Clays Chair reported on an extremely successful shoot with the NM high schoolers. This was a school-sponsored athletic event, and the kids represented themselves and their schools well. There were a couple of lessons learned, but everyone is excited to host these young men and women again in the future.

Annual Meeting: Pat Mileskosky, President reported that he has started making arrangements with Glory Christian Fellowship Church to hold the Annual meeting on January 19, 2023.

Range Cleanup: Pat reminded everyone that the dumpster will arrive around December 1st and will be placed on the East Range. Activities should make sure items to keep are put away and/or work with Pat to identify what needs to stay. Pat is also talking to a painting company to see what we can work out.

Proposed Change to By-Laws: Chris Garrett, Secretary proposed the following change to Article IV, Section 3, Paragraph (f) of the Zia By-Laws for consideration at either the Annual Meeting (if a quorum is achieved) or a Special Meeting in January.

IS: "All dues shall be paid by personal check, cashiers check or money order."

PROPOSED: "All dues shall be paid by personal check, cashiers check, money order, credit card, debit card, or other means as deemed acceptable by the BOD."

Item IV - New Business

Annual Tractor Maintenance: Pat Mileskosky, President started a discussion about getting the Tractor serviced following its first year of Zia ownership. Many good ideas/leads were shared for investigating.

Item V - Adjourn

After exhausting all items on the agenda, and there being no further business, the meeting was adjourned at 7:40 p.m. The next BOD meeting will be held on December 15, 2022 starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

Newsletter Change

In an effort to be environmentally friendly and cost effective, Zia is moving toward more digital services for its members. As approved at the September board meeting, effective in January, 2023, members currently receiving paper versions of the newsletter who wish to continue receiving the newsletter in that format, will incur a \$12 annual administrative fee. This fee will be paid in conjunction with the 2023-2024 annual membership renewal. Members wishing to change to the digital option may do so at any time by sending an email with their name and member number to: newsletter@ziarifleandpistolclub.com, or indicating such on their annual renewal form. Members currently receiving a digital newsletter and new members will no longer have the option to receive a paper newsletter.

NRA / ILA

I look forward to working with you in 2023 to protect New Mexicans' Second Amendment rights. Remember that prefiling of legislation begins on January 3 and the New Mexico Legislature convenes for its 60-day Regular Session on January 17. For a preview of what Governor Lujan Grisham and the progressive gun control advocates in the Roundhouse have in store for us, please read this article from earlier this week in the ABQ Journal: <https://www.abqjournal.com/2556861/gun-safety-bills-could-spark-debate-at-roundhouse-amid-rise-in-firearm.html>.

Their proposals include, at a minimum: mandatory firearms storage requirements, prohibiting law-abiding young adults from purchasing certain rifles and establishing a state hub of gun control policy in an Office of Gun Violence Prevention. We also anticipate that they will attempt to expand New Mexico's red flag law to make it easier to obtain extreme risk protective orders and/or seize firearms from individuals without due process.

We will have our work cut out for us! To that end, please contact me if you would like me to come speak to your gun club or similar organization to discuss gun control bills the Legislature is considering. I plan to speak at Zia Gun Club's annual meeting on January 19 and Picacho Gun Club on February 9.

Best wishes to you and your family for a Merry Christmas, Happy Holidays and Blessings for the New Year!

As you can see from the score sheet, there were many 5 & 10 in a row accomplishments. The weather was very nice and accommodating for not only the match but the pot luck that followed. We feasted on posole, green chili stew, gumbo and corn bread, biscuits and gravy, breakfast sandwiches, and a huge variety of sweets. I would like to personally thank all you shot in the match and all that contributed to the pot luck.

4 shooters competed in the 1/5 size match. First overall was **Tom Foreman** with 16. Well done everyone, those silhouettes are really little!!!!

The small bore rifle silhouette match is held on the first Sunday of each month. **The next match will be on January 1, 2023.** We are planning on having hot chocolate and ginger bread cookies to ring in the New Year. I hope you can make it!

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 meters, 10 pigs at 60 meters, 10 turkeys at 77 meters, and 10 rams at 100 meters. A total of 40 rounds are needed for a match plus sight in rounds.

We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full time allowance, if all competitors in that relay have completed firing.

Time Allowances:

Ready Time - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two and one half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

Alibis - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

Shoot-offs - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the command CEASE FIRE and READY.

Setup starts at 8:00am. We will have a sight in/practice period starting after set up and will start the match promptly at 9:00am. This event is open to any Zia member/guest and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

The adjacent bench rest/plinking range to the immediate West of the Small Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety.

Please note: Although the posted sign states that the range will be closed from 8:00am 2:00pm, as soon as the small bore rifle silhouette match is over, the adjacent range will be open to the public. Historically our matches run no later than noon.

For additional information contact Sharon Foreman, email: sbr-sil@ziarifleandpistolclub.com

Results of the Bench Rest Rifle Silhouette Match December 11, 2022

Decembers match had 11 shooters sign up but due to home emergency, one had to leave, so we had 10 shooters on 2 relays. Almost no wind allowed Ron B. 10 turkeys! And John R. 9 rams! But again, old age and treachery prevailed as Earl B. bested the group with 37 total, Ron B. with 36 and John R. at 35, Great shooting guys! For the rest of us that were left in a cloud of dust, 30s mid 20s and a couple of 19s rounded out the rest of the class. Hope 2 new shooters, Rafael and Claude can come back next match and try again.

Bob G. also looks like he will be a player when he can shoot a complete match, Hope to see you all in January.

The bench rest rifle silhouette (formerly known as “Mouse Gun”) match is held on the second Sunday of each month. This coming month (January) the match will be on January 8th (weather permitting).

For those of you that are wondering what we do...

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2”x2” in size. The pigs which are roughly 3”x4” are set at 100 meters, the turkeys, roughly 3”x5” tall are set at 150, and the rams 6”x4” are at 200 meters. All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited “sighters” at the beginning sighters being shots that are fired at a 8”x11” steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the “sighters” stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus “sighters”.

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.

For additional information contact Tom Foreman, email: rbench-sil@ziarifleandpistol.com

It Is Almost Time To Renew Your Zia Membership!

It is almost that time! Zia membership renewals start in January. Renewal applications will sent out with your newsletter beginning in January. Or you will be able to get them from the web site. For new members, and not so new, there are a few items to keep in mind.

The membership term is April 1, 2023 - March 31, 2024. **Do not use last year's renewal form. Check the date on the top of the form. The new form for the coming year will be enclosed in your newsletter. It will be available at the web site in January.**

You must mail in your renewal and payment, either check or money order. Even though you can get the renewal application off the web site and fill it in there, you cannot email it in. And Zia is not yet set up to receive credit card payments. (We are working on that...I promise!)

Even if you just joined Zia in October, you have to renew for the coming year.

If you renew after April 30th you will pay a \$35.00 late fee. If you have not renewed by May 1st, your gate key will be deactivated. Once your renewal application and payment is received, your key will be reactivated.

You and your associate are required to do the test. Think of it as a little refresher course on range safety and club procedures. Just do it.

You must sign the waiver. And your associate, if you have one, must sign as well. It will be returned to you if it is not signed.

Do not forget to enclose the self addressed stamped envelope so that we may return your new membership card to you.
