The **July** meeting of the Zia Rifle & Pistol Club is scheduled for **Thursday, July 20th** at 7:00 PM at **Bear Canyon Senior Center, 4656 Pitt NE**. All members are welcome and encouraged to attend. If there is anything you would like to discuss, please contact Secretary, Chris Garrett.

*See you there!*

### Zia BOD Meeting Minutes from May 18, 2023

The May 18, 2023 BOD meeting was called to order at 7:00 p.m. at the Bear Canyon Senior Center, with club President Pat Mileskosky presiding. A quorum of the BOD was achieved with 15 out of 21 members in attendance.

#### Item I - Approval of Agenda and Minutes

The agenda for the May 2023 meeting was approved with one addition from the Junior Training Activity Chair Joel Martin. The minutes from the April 20, 2023 BOD meeting were approved without changes.

#### Item II - Treasurer's report

Sharon Foreman, Treasurer presented the Treasurer's Report. She reported on the status of the Club, and outlined some changes that were being made to our accounts (to include moving our checking out of Wells Fargo.) Sharon also asked each Activity to start working an annual budget to be approved at a BOD meeting.

#### Item III - Old Business

**Joel Martin:** Cohen Ahner and Haylie Garcia came to give a report on their experiences at the Junior Olympics. Haylie thanked the Club for the support and described her experiences. Cohen then thanked the Club, and told us a little about his experiences and performance. A thank you card was given to the BOD.

#### **Pat Mileskosky:**

Update on the lease renewal. The Club Attorney has yet to review the documents, but Pat will apply some pressure. Once that is done, Pat and Heidi will take a field trip to Santa Fe to work with the State Land Office.

Online credit card processing update. Not ready yet, but planning to leverage the Club's new financial account holder once set-up.

#### **Item IV - New Business**

**Joel Martin:** Purchased a case of safety glasses for use in the indoor range and asked the BOD to reimburse him \$195.28. A motion was made, seconded, and passed.

**Pat Milesosky:**

Someone with UNM LifeFlight came to the range and identified two acceptable landing locations. They are planning to come for a test landing at some point. The BOD is still working to stand up a Safety Committee that will among other things create a pre-activity briefing card.

The Gate was briefly out of power along with all of the APD Tactical Range (we get power for the gate from them.) It was all back prior to the meeting, but we discussed some options to reduce the frequency of this type of occurrence.

**Item V - Adjourn**

After discussing all the items on the agenda, and there being no further business, the meeting was adjourned at 7:55 p.m. The next BOD meeting will be held on June 15, 2023 starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

**Board of Directors Meeting Schedule**

All meetings are held at the Bear Canyon Senior Center, and begin at 7:00 p.m. All Zia members are welcome to attend. If there is an issue you would like to bring up to the Board, please contact Secretary, Chris Garrett a week prior to the meeting so that you may be put on the agenda.

**NM Department of Public Safety to make changes to their two-year refresher training course**

Information Provided by NM DPS Instructor, Anthony Segura #556 IMPORTANT ANNOUNCEMENT

Effective June 30, 2023, the two-year refresher course will no longer be offered online by the DPS. Contact a DPS-approved instructor to complete a training course. Submit training certificates to DPS within 30 days of receipt, as per 29-19-6 H NMSA 1978"

**FAQ's:**

Two-year refreshers must be completed between 22-26 months. (This applies to 5-year permit holders as well as 4-year permit holders.)

Military, LE, and Veterans under 20 years discharged do not need to take a 2-year refresher course. (If their 20 years pass before or during their 22-26 months refresher period then they would be required to attend an approved refresher course.)

The course must be two hours in length and must include a qualification with the same caliber/s listed on the permit. This means that you must now qualify at the range every two years.

It is at the instructor's discretion to determine what information is covered during the two-hour training course, but most instructors review NM law and shoot a qualification.

The small bore rifle silhouette match is held on the first Sunday of each month.

Setup starts at 8:00am. We will have a sight in/practice period starting after set up and will start the match promptly at 9:00am. This event is open to any Zia member/guest and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

**The adjacent bench rest/plinking range to the immediate West of the Small Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety. Please note: Although the posted sign states that the range will be closed from 8:00am 2:00pm, as soon as the small bore rifle silhouette match is over, the adjacent range will be open to the public. Historically our matches run no later than noon.**

**Pictures from left to right: Zingers the breakfast of champions and David O!, Casey A. on the range, Jerry C. having the best day of rehab, 1/5 size match winner - Sid G., swap meet stuff, 1/2 size match winner John B., more swap meet stuff, and take your pick of top of the line equipment!**

What a great day for a Silhouette match! The weather was perfect therefore, now one had any excuses. Although some of us (me) could have used an excuse... There was a shoot off for match winner between John B. and Jerry C. who tied with 33. John won the shoot off on the turkeys after one shot. Great shooting guys! Ted Mc. was right on their doorsteps with a 32 taking 1<sup>st</sup> place in AA! Jordan S. made the rest of us look like amateurs when he shot 31 with open sights! What is up with that?! Throughout the match we had a swap meet amongst the participants. There were bargains to be had and even some "free" stuff. This was the 2<sup>nd</sup> annual swap meet and I'm pretty sure that we will continue the tradition.

Please note the 5 and 10 in a row winners as indicated in the score table.

The matrix for this class structure is:

Master 34 40  
AAA 28 33  
AA 21 27  
A 15 20  
B 0 14

This class structure has no bearing on any classifications or qualifications outside of this specific match. The purpose is to allow everyone a fair chance at competition and provide a structure for advancement. The way you advance to the next level is to shoot 3 subsequent scores within the higher range(s). New shooters will shoot “unclassified” and once a score is recorded, that will be the class in which they will shoot until higher scores move them “up”.

There were nine 1/5 size target shooters. Taking overall was Sid G. with 16 and Jordan S. took the \*iron sight class with 10!. This match is beginning to attract some really great competitors.

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 meters, 10 pigs at 60 meters, 10 turkeys at 77 meters, and 10 rams at 100 meters. A total of 40 rounds are needed for a match plus sight in rounds.

We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full time allowance, if all competitors in that relay have completed firing.

Time Allowances:

**Ready Time** - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two and one half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

**Alibis** - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

**Shoot-offs** - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the command **CEASE FIRE** and **READY**.

## Results of the Bench Rest Rifle Silhouette Match June 11, 2023

Pictures from left to right: Ron B., John R., and "Ol' Blue.

The scores kind of grouped together in the upper 20s to lower 30s due in part to the wind that picked up, zero at 8:00am to about 12-15 mph around 10:00am. But we still had a great time with 15 shooters! Great job you guys! Thanks for coming and making this activity catch on!

Hi score was Damon S. with 34, he was fortunate enough to get his turkeys and rams done early before the wind. Good for you Damon!

I encourage anyone with a .22 rifle to come out and give this a try! Most folks that have are hooked now.

The bench rest rifle silhouette (formerly known as "Mouse Gun") match is held on the second Sunday of each month.

For those of you that are wondering what we do... We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (no stingers or hyper velocity) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2"x2" in size. The pigs which are roughly 3"x4" are set at 100 meters, the turkeys, roughly 3"x5" tall are set at 150, and the rams - 6"x4" are at 200 meters. All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited "sighters" at the beginning - sighters being shots that are fired at a 8"x11" steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the "sighters" stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus "sighters".

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am. For additional information contact Tom Foreman, email: [rbench-sil@ziarifleandpistol.com](mailto:rbench-sil@ziarifleandpistol.com)

## ZIA MEMBERS ATTEND USPSA RANGE OFFICER CLASS

Seven members from Zia's Action Pistol activity were invited to attend the United States Practical Shooting Association's (USPSA) Range Officer class, which was held at Albuquerque's shooting range park on June 10th and 11th. This two-day intensive class was hosted by Rio Grande Practical Shooting Club (RGPSC), the USPSA club that is based at the city shooting range.

This class consisted of a pre-course requirement to review several videos and complete a number of quizzes, a day of classroom lecture, a live fire test on the range where students were required to demonstrate effective control of a shooter, and a 50-question final exam. Students were taught aspects of safe conduct of competition, rules of competition and principles of good course design. While Zia does not host any USPSA shooting events, this training will help ensure our Action Pistol activity is conducted in a safe, fun, and equitable manner.

Congratulations to Pat Milesosky, Chris Garrett, Vic Echiverria, Lyn Carter, Jimmie Russell, Wes Miller and David McCoy, who will be USPSA certified Range Officers once they pass their final exams, and a HUGE thanks to RGPSC for inviting our club members to participate.
