The **September** meeting of the Zia Rifle & Pistol Club is scheduled for **Thursday, September 21st** at 7:00 PM at **Bear Canyon Senior Center, 4656 Pitt NE**. All members are welcome and encouraged to attend. If there is anything you would like to discuss, please contact Secretary, Chris Garrett.

See you there!

Zia BOD Meeting Minutes from July 20, 2023

The July 20, 2023 BOD meeting was called to order at 7:00 p.m. at the Bear Canyon Senior Center, with Club President Pat Mileschosky presiding. A quorum of the BOD was achieved with 15 out of 20 members in attendance.

Item I - Approval of Agenda and Minutes

The agenda for the meeting was approved with additions from Ron Bjornberg (Action Handgun Activity) and Nate Eskey (legislative update)

The minutes from the June meeting were approved without changes.

Item II - Treasurer's report

Sharon Foreman, Treasurer presented the Treasurer's Report. After discussing the details of the Club's financial condition the Treasurer's Report was approved.

Item III - Old Business

Heidi Chowning:

Heidi gave an update on the first Trauma First Aid course. Ten of us were trained and it went really well.

Then she asked the BOD to authorize the purchase of additional trauma packs for the rest of the Activities, 1 spare, and 1 for Pat to keep with him. Eleven kits in total at a cost of \$100 each. A motion was made to allow \$1200, seconded, and passed.

Heidi then asked the board for \$100 for misc. heat-related medical items - a motion was made, seconded, and passed.

We then reviewed the draft Emergency Procedures briefing and Emergency Card. Updates will be made and then they will be provided to the Activity Directors.

Heidi finished by updating us on the NRA Range Safety Class which will be held at the City Range on 8/27.

Pat Mileschosky: Lease renewal update. The survey is almost ready and Pat anticipates we should be done with the renewal by next month's meeting. The cost of the survey is \$4000, which was moved, seconded, and approved by the board.

Item IV - New Business

Heidi Chowning: Newsletter Board Member Spotlight. Heidi suggested testing the addition of a new segment into the monthly Club Newsletter consisting of a profile of a board member (Q&A style) with a photo. Pat agreed to be the first - sounds fun!

continued on next page

Pat Mileschosky:

Family Rimfire Activity status. Ted is back from traveling and is ready to start having matches. Ted and Pat are going to get together to recruit more help, but otherwise we are planning to start (watch the Activity Calendar for information).

The New Member Orientation Team needs to add a couple more people to the roster. Pat and Tom volunteered their services.

Pat told the 600-yard Activity participants there will be no more matches until someone steps up to be the AD, is accepted by the other participants, and approved by the BOD.

Joel Martin: It's a good time to repaint the floor of the indoor range. Joel requested \$500 to cover paint and supplies. A motion was made, seconded, and passed.

Ron Bjornberg announced he is retiring as the Action Handgun Activity Director after more than 15 years in that role. Vic Echeverria has agreed to step into that role and was accepted by the Activity participants. The change is effective 8/1 and additional actions by the BOD will occur at the August meeting.

Nate Eskey gave an update on what Santa Fe is planning in the upcoming session. Looks like most of the failed items we saw this year are coming back. We will need to be diligent again to defeat all the nonsense.

Item V - Adjourn

After discussing all the items on the agenda, and there being no further business, the meeting was adjourned at 8:18 p.m. The next BOD meeting will be held on August 17, 2023 starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

You Could Be A Member At Large

The Zia By-Laws define a Member at Large as: "Members at Large are elected to be the representatives of the General Membership and to serve as a voice for those Members specifically for their direct contact and support." Members at Large are members of the Board and represent Zia members at the Board of Directors meetings.

Currently, there are two openings for Members at Large. Qualifications are that you be a member in good standing for at least one year, and that you are able to attend the Board of Directors meetings every month.

This is a great opportunity to become more involved with Zia, and actually have a say in what goes on with the club. If you are interested, please plan on attending the upcoming Board meeting on September 21st and be ready to discuss your interest and qualifications before the Board. Please notify Secretary, Chris Garrett that you will be attending.

Board of Directors Meeting Schedule

All meetings are held at the Bear Canyon Senior Center, and begin at 7:00 p.m. All Zia members are welcome to attend. If there is an issue you would like to bring up to the Board, please contact Secretary, Chris Garrett a week prior to the meeting so that you may be put on the agenda.

- September 21st
- October 19th
- November 16th
- December 21st

Please Note Calendar Changes

There are a couple of changes to the activities calendar.

The Family Rimfire Steel Match is a new monthly activity. The first match will be held on October 7th on the West Range in Berm #3. Start time is 9:00 a.m. Ted Simmons is the Activity Chair and you can reach him at 505-737-8580 for more information.

Also, the **MR Prone F-Class** matches have been cancelled.

Zia Member Spotlight

Heidi Chowning

Heidi doesn't remember when she and her husband joined Zia, but she knows why. "My husband and I have always enjoyed shooting, but we found it difficult to find a safe place to shoot in or near Albuquerque. We discovered Zia, toured the property, met some great people, and decided to join.

Heidi says she started shooting at a very early age. "I grew up in a family that hunted in order to put food on the table, so firearms were commonplace in our family. My dad taught me firearm safety and taught me to shoot when I was probably around 5 or 6 years old. I started with a BB gun and eventually graduated to a .22 rifle. I lived in a very rural area, and as a kid, whenever I got bored, I'd go out back and plink at soda cans.

Heidi has come a long way since plinking at soda cans! She shoots action pistol, USPSA, and 3-gun. She also enjoys the black rifle matches at Del Norte, she's an NRA instructor, NRA range safety officer, USPSA range officer, NM DPS concealed carry instructor, and she facilitates Zia's ladies personal protection training program.

Like others have said, what she likes most about Zia is the people. "Years ago, when I joined, it was a rare occasion to see a woman at the range. I was skeptical as to how I would be received by the members. However, it has been a very positive experience, and I've made some great friends at Zia."

Her buddy, Nate Eskey, is who Heidi shoots with the most. And which of her guns does she like shooting the most? "My 2011 pistols. They're a ton of fun!"

When time allows, Heidi enjoys shooting

action pistol at Zia. And she used to participate in sporting clays with her husband. But, as she puts it, "as I expanded into other shooting sports, my schedule just didn't allow for it anymore. I still miss it to this day." She also likes to participate in Zia's 3-gun activity. But again, she says "because I participate in matches both in NM and other states, and I am busy as an instructor, my schedule just doesn't allow for it most of the time."

When asked what things Zia should do in the future, Heidi says, "Modernize. We've got to modernize this club so it's ready to hand off to the next generation of members. We're in the 21st century but pushing paper like it's the 19th century." She goes on, "we've also got to make better use of technology. The club needs to work smarter, not harder. I'm excited the BOD has several projects underway at the moment which will help meet this goal."

Heidi says that Lanny Barnes is someone she would like to take a shooting lesson from. And why is that? "Google her" was Heidi's answer.

And what is something interesting about Heidi that's completely unrelated to shooting? "I love watching westerns!"

Thanks Heidi!

Small Bore Rifle Silhouette Match August 6, 2023

Pictures from left to right: Steve S., John R and others at sign up. Bottom right: a gift to the match director from Jerry C., made from individual pieces of wood, carved and hand painted. A beautiful piece of artwork. Thanks Jerry!

What a great day for a silhouette match! The weather was fairly corporative and everyone seemed to have a good time. At one point during the match, however, we had to clamp down a Turkey and Ram to record the hits as the wind had picked up and was blowing over the majority of the targets that were set on the stands. Of course, as soon as we clamped them down, the wind died down and it was no longer an issue. You've got to love Mother Nature's sense of humor!

Highlighted scores indicate class winners.

Please note the 5 and 10 in a row winners as indicated in the score table.

Jerry C. won overall, again! Way to go buddy!! ;0)

The matrix for this class structure is:

Master 34 40
AAA 28 33
AA 21 27
A 15 20
B 0 14

This class structure has no bearing on any classifications or qualifications outside of this specific match. The purpose is to allow everyone a fair chance at competition and provide a structure for advancement. The way you advance to the next level is to shoot 3 subsequent scores within the higher range(s). New shooters will shoot “unclassified” and once a score is recorded, that will be the class in which they will shoot until higher scores move them “up”.

David B. placed 1st overall with 16 followed by Bill S. and Trya McT. both with 13. After calculating the tie breaker based on targets hit, Bill was 2nd place with 3 Turkeys and Tyra was 3rd with 2 Turkeys. Excellent shooting everyone! Jordan S. was not too far behind with 11! Of note: Jordan was shooting iron sights while the rest of the competitors used scopes.

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 meters, 10 pigs at 60 meters, 10 turkeys at 77 meters, and 10 rams at 100 meters. A total of 40 rounds are needed for a match plus sight in rounds.

We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full time allowance, if all competitors in that relay have completed firing.

Continued from previous page

Time Allowances:

Ready Time - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**. Two and one half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.
Alibis - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.
Shoot-offs - 30 seconds will be allowed for each shot fired in a shoot off of ties.
A minimum of 30 seconds will be allowed between the command **CEASE FIRE** and **READY**.

The small bore rifle silhouette match is held on the first Sunday of each month.

Setup starts at 8:00am. We will have a sight in/practice period starting after set up and will start the match promptly at 9:00am.

This event is open to any Zia member/guest and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

The adjacent bench rest/plinking range to the immediate West of the Small Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety. Please note: Although the posted sign states that the range will be closed from 8:00am 2:00pm, as soon as the small bore rifle silhouette match is over, the adjacent range will be open to the public. Historically our matches run no later than noon.

Results of the Bench Rest Rifle Silhouette Match August 13, 2023

Once again, we had a good turnout and Tom O. and his voodoo came out on top with 35, followed closely by 34s and 33s. It was great to see Earl B. dust off his Anschutz and come out of hibernation. We always enjoy your company, Earl. Bit by bit we seem to be having more people stop by to take a look. I encourage anyone with a .22 rifle to come out and give this a try! Most folks that have are now hooked. If you have any questions, please call or text Tom 505-350-4026

Please note, as per Pat Mileschosky, the president of Zia, on the 2nd Sunday of each month when this match is held on the East range, the F-Class range and the Precision Tactical range is closed for the duration of this event.

The bench rest rifle silhouette (formerly known as “Mouse Gun”) match is held on the second Sunday of each month.

For those of you that are wondering what we do...

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2”x2” in size. The pigs which are roughly 3”x4” are set at 100 meters, the turkeys, roughly 3”x5” tall are set at 150, and the rams 6”x4” are at 200 meters. All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited “sighters” at the beginning sighters being shots that are fired at a 8”x11” steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the “sighters” stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus "sighters".

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.

Fellow Shooters:

Hope everyone enjoyed the "warm and windy" weather we had for today's shoot. Judging from the scores, it didn't prevent the clays from breaking. As always, thanks to everyone who helped set up and clean up.

See you all in September,
Lyn

IT'S ALL ABOUT SAFETY

It's been a busy summer at Zia. In June, several members of our action pistol activity attended the two-day US Practical Shooting Association (USPSA) range officer class and they're now certified USPSA range officers. Congratulations to Zia's seven newest USPSA RO's!

In July, 20 Zia activity directors and key activity participants attended a trauma clinic with an emphasis on treating gunshot wounds. Participants learned how to properly apply tourniquets, pack

Trauma Kits

gauze, and stop bleeding. In addition, they learned how to treat other common types of injuries including cuts and scrapes, sprains, heat exhaustion, heat stroke, and snake bites.

In August, 17 activity directors and key activity participants attended an NRA Range Safety Officer course. They learned how to ensure the ranges stay safe, conduct effective safety

First Aid Kits

briefings, handle ammunition and gun malfunctions safely, effectively supervise their activities, and effectively implement Zia emergency protocols. Congratulations to Zia's 17 newest certified NRA RO's!

Over the summer, the Board of Directors developed standard emergency protocols for its activities. Should someone be seriously injured during an activity, directors now have guidance on how to properly handle the situation. This includes everything from who will take priority on treating the injury, what to say when calling 911, how to secure the scene, send individuals to open the gate to let emergency service personnel in, and, if necessary, how to ensure Life Flight has a safe landing spot at Zia.

Now that activity directors have benefitted from these trainings, they have been issued trauma kits and first aid kits for their activities, along with copies of the standard emergency protocols. We will continue to improve and maintain range safety to keep Zia running safely and smoothly!
