*See you there!*

### Zia BOD Gathering Notes from August 17, 2023

The August 17, 2023 BOD meeting was not called to order due to not achieving a quorum of the BOD with 10 out of 18 members in attendance. The members present discussed a few topics starting at 7:00 PM as recorded by Nate Eskey below:

Sharon presented the treasurer's report.

Vic's resignation as a Member at Large was noted, but the board was obviously unable to take action on it. A vote to confirm him as activity director for Action Pistol is expected at the next meeting.

Several names were floated to replace Vic and Peter as Members at Large. Given that the board was unable to seat anyone as a member at large, Pat expressed his intent to officially entertain nominations and balloting at the September board meeting, and to advise the general membership of the vacancies so that any other potential interested parties could be made aware of the opportunity.

Heidi gave an update about the Ladies' Class for October. Everything is on pace for us to have another full class!

Heidi also gave an update about the NRA Range Safety Officer course. We will have a full class there as well.

Heidi also distributed 8 first aid kits to present activity directors and their delegates, reviewed the kit contents, and provided templated emergency instructions. She also distributed 6 more trauma kits to present activity directors and their delegates. Tom is keeping inventory.

Pat provided an update on the lease. The state now wants a lead study. Pat connected with a club member who has ties with an environmental engineering firm in town. We are also negotiating regarding the land closure fund and will have something concrete in the lease.

I (Nate) discussed my plans for the legislative action committee. We will have myself, one club officer, and a small number of other club members, ideally including at least one attorney, former or practicing. It will be a working group, positions will not be sinecures. Once the board can act to approve it, we can examine if the committee will need a budget.

*continued on next page*

*continued from previous page*

Heidi gave an update on the website. We are migrating to a lower cost, more secure hosting service that will allow us to integrate credit card processing, make new membership and renewals much easier, and generally modernize the process. This is "full speed ahead" and the plan is to take credit cards in 2024!

Sharon spoke about activity budgets. Most activities have turned one in, and she emphasized that this is a process intended to make life easier in the long run for activities. Activity directors that have not yet turned one in are encouraged to call her, and she'll help them out.

Pat (re)introduced the former treasurer, Gary, who has volunteered to run the VA shooting activity, again, to be voted on at a later date. Gary is ready to go on helping out the VA and this great program, and is working with the VA to get it running smoothly. He intends to have a great showing from New Mexico veterans at next year's championships!

There being no further topics of discussion, we concluded at 7:47 PM. The next BOD meeting will be held on September 21, 2023 starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

**Email Vote:**

An email vote of the BOD was taken on August 25 to:

1. Install/approve Gary Wells as the Veterans Group Activity Chair
2. Install/approve Vic Echeverria as the Action Handgun Activity Chair
3. Install/approve Jay Sullivan as the Rimfire Benchrest ARA Activity Chair

Votes sufficient to approve all three items (requiring 50% of the board to include at least 2 Officers and 2 Members at Large) was achieved on August 26 and was therefore passed.

**Board of Directors Meeting Schedule**

All meetings are held at the Bear Canyon Senior Center, and begin at 7:00 p.m. All Zia members are welcome to attend. If there is an issue you would like to bring up to the Board, please contact Secretary, Chris Garrett a week prior to the meeting so that you may be put on the agenda.

## *Zia Member Spotlight* *Tom Tomasi*

*Tom and Jeree Tomasi*

Tom Tomasi has been a member at Zia since approximately 2002. He was invited to one of the action pistol matches by a co-worker, Chuck Demos and says it was “love at first shot”. He couldn’t wait to go the following week, and the one after, and... “There were 4 matches/month back then (Action Pistol & USPSA) and I shot at least three times per month. Rod Current was so kind and generous to me. I think he kind of took pity on me and helped me, was nice to me and motivated me. I remember him fondly.”

Tom started shooting when he was in high school. “My parents bought me a .22 for my birthday. It was a Remington Nylon 66. They are very accurate rifles right out of the box and that encouraged and spurred me on to all the other types of firearms.” Tom says that his first purchase of his own was a used Remington 1100 that he bought as a freshmen at UNM. “Both of those firearms were purchased at my Uncle Charlies sporting goods store...and a fair number since then.”

“The numerous activities afforded to its members”, is what Tom likes the most about Zia. “In a sense, we’re a bunch of clubs inside one big one. There is something for everyone!” But, he adds, “it is the people that anchored me to the club.” We have a great membership. Wonderful people who love the shooting sports, their country and the freedoms it presents us.”

“Action Pistol is the activity I’ve shot the most” Tom answered when asked which activities he participated in at Zia. “Although not nearly as often as pistol, shotgun is always fun too” he added. And he’s done a fair bit of Cowboy Action Shooting. Tom says he grew up watching westerns and “Cowboy Three Gun is a blast. You get to walk onto a western movie in the making and live in a different world for an afternoon. The people who shoot Cowboy are the best. Absolutely beautiful people.”

When asked which of his guns he liked shooting the most, his reply was “all of them.” He goes on, “as a Concealed Carry Instructor, founder, and President of NM Handgun Academy, I obviously shoot pistol more than any of the others. I absolutely love the shotgun sports, but action pistol is so challenging it keeps you coming back.”

*What are your thoughts on things the club should do in the future?*

“The youth is the future of our sport and country. We need to

expand the opportunities for them and encourage the adult members to bring their kids to the existing activities more. My son, Parker, shot his first pistol match when he was 11 or 12. He was so small, he shot under the barricades rather than around them and to the sides. When he finished his first stage, the people in the squad broke into applause and his grin was ear-to-ear. He went on to achieve Junior Distinguished in high school, shooting for La Cueva HS and is now adult Distinguished Rifle and is one bronze medal away from Pistol Distinguished and the rare “Double Distinguished” status. The success he has enjoyed with shooting has given him enormous personal confidence and made him into the man he is today serving as a Major in the USMC. Invest in our youth.”

It is no wonder that when asked who he shoots with the most, Tom says he wishes it were his son. “We shoot every time we are in the same town, which isn’t often enough. It’s a great bonding time with him. He is so much better a pistol and rifle shooter than I.

*If you could get a shooting lesson from anyone, who would it be and why?*

“I’ve had the privilege of teaching three classes with Massad Ayoob. All three were incredible experiences. My thoughts are old school here: Clint Smith, Ed Givens, John Farnham, Ed Head at Gunsite, the Sig Academy, one of the Skeltons and maybe even Travis Tomasi (for obvious reasons) and there are so many other and younger to choose from. BUT, if I had to choose just one, and you didn’t stipulate he/she had to be with us today, it would have to be Jeff Cooper. The man who changed firearm training like no other. He literally changed the way everyone thought about it and created the firearms training industry as we know it today and shifted it to and for civilians. He was a keen intellect and could converse on any subject at all. It would be very exciting and motivating to have the chance to talk to him at length. He led a very interesting life and was an amazing man.”

And finally, something interesting about Tom that is completely unrelated to shooting is that he has been married to his wife, Jeree for 40 years. “We have two children , Jessica and Parker, and four grands. Jeree might not describe me as “interesting” but she’s hung with me through a lot of interesting times.”

*Thanks Tom!*

## Small Bore Rifle Silhouette Match September 3, 2023

**Pictures from left to right: Freddy M. taking aim, Gavin B. getting serious, and Gary D. in the tiara!**

It was a beautiful day in early September for the Small Bore Rifle Silhouette match. We had no complaints at all. Great lighting and very light breeze by all accounts a picture perfect day. We had 3 new comers Gavin B., Earl B., and Guy N. Gavin B. won the Unclassified class with a total of 17! Way to go Gavin!! Overall the scores were really good. Cohen A. won the match overall with 37 and Tyra McT. will be moving up to AAA class at the next event, as she has scored in that class range 3 previous times. In Iron Sights, Jordan again showed us all how it is done. WOW!

**Highlighted scores indicate class winners.**

Please note the 5 and 10 in a row winners as indicated in the score table.

The matrix for this class structure is:

Master 34 40  
AAA 28 33  
AA 21 27  
A 15 20  
B 0 14

This class structure has no bearing on any classifications or qualifications outside of this specific match. The purpose is to allow everyone a fair chance at competition and provide a structure for advancement. The way you advance to the next level is to shoot 3 subsequent scores within the higher range(s). New shooters will shoot “unclassified” and once a score is recorded, that will be the class in which they will shoot until higher scores move them “up”.

### 1/5 size target results

COMPETITORS NAME	CHICKEN	PIG	TURKEY	RAM	TOTAL
<b>Freddy M.</b>	<b>5</b>	<b>4</b>	<b>6</b>	<b>5</b>	<b>20</b>

The 1/5 size competition pool is growing! So much so, that we have decided to break out the competitors similarly to the 1/2 size classes. Freddy M. won overall with an impressive 20, followed closely by Bill S. with 19. Unless you see these 1/5 size targets in person, you really can't envision how small they really are and then set at the distances that they are set, almost seem impossible to hit.

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 meters, 10 pigs at 60 meters, 10 turkeys at 77 meters, and 10 rams at 100 meters. A total of 40 rounds are needed for a match plus sight in rounds.

We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full time allowance, if all competitors in that relay have completed firing.

Continued from previous page

**Time Allowances:**

**Ready Time** - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two and one half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

**Alibis** - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

**Shoot-offs** - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the command **CEASE FIRE** and **READY**.

The small bore rifle silhouette match is held on the first Sunday of each month.

Setup starts at 8:00am. We will have a sight in/practice period starting after set up and will start the match promptly at 9:00am. This event is open to any Zia member/guest and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

**The adjacent bench rest/plinking range to the immediate West of the Small Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety.**

**Please note: Although the posted sign states that the range will be closed from 8:00am 2:00pm, as soon as the small bore rifle silhouette match is over, the adjacent range will be open to the public. Historically our matches run no later than noon.**

First of all, thanks Dennis for running the match for me in my absence. I really appreciate it. It looks like we had 2 full relays, that is great! The attendance has been holding on for a while now. Hopefully we will see new shooters in the future. I'm looking at the scores and I see that Kevin B. was shooting his chickens and ducks (that's what he calls them) turning in a score of 36. Way to go Kevin. Close behind were Bryan B. and Tom O. with 34 each, a whole bunch of 30's and Gavin B. under the mentorship of Earl B., with 20, good job Gavin. Good to see you out.

I encourage anyone with a .22 rifle to come out and give this a try! Most folks that have are now hooked. If you have any questions, please call or text Tom 505-350-4026

Please note, as per Pat Mileschosky, the President of Zia, on the 2<sup>nd</sup> Sunday of each month when this match is held on the East range, the F-Class range and the Precision Tactical range is closed for the duration of this event.

The bench rest rifle silhouette (formerly known as "Mouse Gun") match is held on the second Sunday of each month.

For those of you that are wondering what we do...

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2"x2" in size. The pigs which are roughly 3"x4" are set at 100 meters, the turkeys, roughly 3"x5" tall are set at 150, and the rams 6"x4" are at 200 meters. All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited "sighters" at the beginning sighters being shots that are fired at a 8"x11" steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the "sighters" stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus "sighters".

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.

Finally a break in the heat and an enjoyable day to be out shooting. Hope everyone had a good time.

In October we will shoot at the same time, but starting with the November shoot, we will move the start time to 10:30. We will stay with that start time through February, then move back to our normal time until June. and then start at 8:30.

That was voted on by the group to deal with the sun and temp.

See you all in October,

Lyn
