Zia BOD Meeting Minutes from October 19, 2023

The October 19, 2023 BOD meeting was called to order at 7:00 p.m. at the Bear Canyon Senior Center, with Club President Pat Milesosky presiding. A quorum of the BOD was achieved with 18 out of 21 members in attendance.

Item I - Approval of Agenda and Minutes

The agenda for the meeting was approved with some additions: (Ron: Sporting Clays purchase, Sharon: Range Closure Signs)
The minutes from the July and September BOD meetings were approved without changes.

Item II - Treasurer's report

Sharon Foreman, Treasurer presented the Treasurer's Report. Sharon detailed the activity from the past month, described the progress with the merchant account, and talked about reducing our business with Wells Fargo. The Treasurer's Report was approved.

Item III - Old Business

Heidi updated the board on the good progress with the Web Site with respect to integrating an online membership system.

Heidi gave an update on the two upcoming Trauma First Aid classes (11/19 and 12/2), which are nearly full.

Heidi additionally updated the BOD on the Ladies Class. The last class of the year was held on 10/28 and 10/29, was completely full, and went really well. An NRA Grant has been submitted for next year.

Nate led a discussion on the proposed charter options for the Legislative Action Committee. A motion was made to accept proposed charter option "C" with the word "aggressively" removed. The motion was seconded and passed. A second motion was made to install Nate as the interim Chair for the committee while a search for a permanent Chair is conducted. The motion was seconded and passed.

Per the ByLaws, a final call for nominations to the board was opened and closed with no additions from the room.

Item IV - New Business

Ron asked the board to approve \$23000 to purchase a trailer load of Birds for use by Sporting Clays and Wobble Trap. A motion was made, seconded and passed.

Sharon asked to buy 4 professionally made signs and frames for use when adjacent ranges are closed for the safety of organized matches. A motion was made to authorize \$500, seconded and passed.

Pat requested \$500 to get another dumpster for range cleanup (the previous one was filled completely). A motion was made, seconded and passed.

Chris presented a set of proposed changes to the ByLaws for the purposes of 1) updates to mesh with the online membership work currently under development and 2) clarify an item to allow an Officer to run an Activity. There was a lot of excellent discussion, eventually leading to agreement to move forward with the changes to be voted on either at the Annual Meeting (if the needed quorum is achieved) or at a Special Meeting after the Annual Meeting.

Item V - Adjourn

After discussing all the items on the agenda, and there being no further business, the meeting was adjourned at 8:37 p.m. The next BOD meeting will be held on November 16, 2023 starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

Please Note...

We will be voting on changes to the Zia By-Laws at the Annual Meeting, if a quorum is met. If there is no quorum a Special Meeting will immediately follow the Annual Meeting for the purpose of voting on these changes. Please plan to attend the meeting to vote on these important changes. They will affect the Club and how it operates in years to come.

*Zia Member Spotlight
Sharon Foreman*

Sharon Foreman has been a member of the Zia Rifle and Pistol club since 2021. She has been the Treasurer of the club since early 2023. Her professional career was in banking for 41 years. Sharon has really overhauled and tweaked the treasury process so that in the future, it should run smoothly and protect Zia Rifle and Pistol club's financial interests

She shoots Master class in 1/2 scale Small Bore Silhouette. She has competed in matches since back in the 80s when she and her husband Tom shot Hunter's Pistol Silhouette with familiar old names like Stan Barnhart, Rod Current, Stan Johnson ,KK Ma, George and Jean Winders, just to name a few, but she has always been better with a rifle than a pistol.

Starting out with a little Marlin rifle that was acquired early marriage, she would continually beat Tom in any kind of target match having to do with a rifle. She has a keen natural ability!

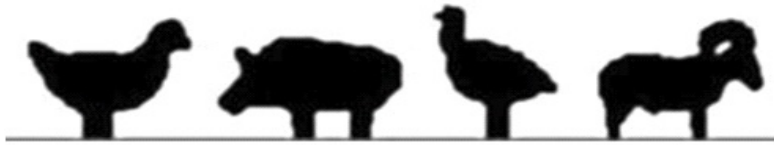

When the hunter's pistol scene died down at the end of the 80s, her interests then turned to motorcycles where for 30+ years, she rode a sport known as Observed Trials, sort of the ballet dancing of dirt bikes. She achieved the Top Woman category with the New Mexico Trials Association several years running. And once she conquered the women's class she then competed in the men's Novice class, giving the “boys” a run for their money. Sharon was the treasurer of that club for many years also!

Fast forward 30 years, where it takes longer for older bones and bruises to heal, and she longed to find another sport. Because she enjoyed shooting sports so much, she would try Silhouette again, but this time with a rifle.

Sharon fell in love with it, and once it passed through a few hands for directorship, there left an open spot for her to run the match. And as you might've surmised, Small-bore Rifle Silhouette is Sharon's baby. She has nurtured it and cultivated it into a highly successful monthly match that draws not only 4Hers, new shooters, kids and parents as well! Sharon's potlucks are really something to look forward to! Most of them are themed, like as one shooter tagged May 5th, “Plinko De Mayo”, and Fourth of July, the “Fire cracker 40” - all in good fun and friendship!

She travels with Tom all over New Mexico, shooting at various matches, extending from Los Alamos down to Hobbs. She really enjoys the people of Zia, has made quite a few friends and has taken her activity of Small-bore Silhouette, to an all new high!

Article written by Sharon's husband of 45 years, Tom Foreman.

Small Bore Rifle Silhouette Match November 5, 2023

Pictures - Top left - Pins documenting a perfect day, bottom left - Cohen A. kicking back, center - the King Cohen A. who shot a perfect score 40 out of 40!, top right casualty of the day, and bottom right Tyra McT. winner of the 1/5 size match!

As evidenced above, it was a perfect day. Not only was the weather agreeable, but Cohen A. shot a perfect score 40 out of 40 in the 1/2 size targets. Since I have been directing the match I have not witnessed a perfect score. Memorable for sure! Although the center picture identifies him as the "King" his mom said that we really couldn't call him that because she still has to live with him. We had 5 relays and everyone had a great time. Tyra McT. won a shoot off with Cohen for the 1/5th size targets. The shoot off was very exciting. Each had 5 shots to shoot as many small chickens at 40 yards. They were tied going into Tyra's last shot. A hush fell on the range as everyone held their breath for what was to come. She steadied herself a couple of times and then took the shot. It was a hit! She was the match winner! Way to go Tyra.

Highlighted scores indicate class winners.

Please note the 5 and 10 in a row winners as indicated in the score table.

The matrix for this class structure is:

Master 34 40
 AAA 28 33
 AA 21 27
 A 15 20
 B 0 14

This class structure has no bearing on any classifications or qualifications outside of this specific match. The purpose is to allow everyone a fair chance at competition and provide a structure for advancement. The way you advance to the next level is to shoot 3 subsequent scores within the higher range(s). New shooters will shoot “unclassified” and once a score is recorded, that will be the class in which they will shoot until higher scores move them “up”.

The 1/5th size competition is continuing to grow. 9 shooters shooting with scopes and 1 brave soul Jordan S. shooting open sights. Amazing!

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 meters, 10 pigs at 60 meters, 10 turkeys at 77 meters, and 10 rams at 100 meters. A total of 40 rounds are needed for a match plus sight in rounds.

We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full time allowance, if all competitors in that relay have completed firing.

Time Allowances:

Ready Time - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two and one half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

Alibis - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

Shoot-offs - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the command CEASE FIRE and READY.

The small bore rifle silhouette match is held on the first Sunday of each month.

Setup starts at 8:00am. We will have a sight in/practice period starting after set up and will start the match promptly at 9:00am.

This event is open to any Zia member/guest and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

The adjacent bench rest/plinking range to the immediate West of the Small Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety.

Results of the Bench Rest Rifle Silhouette Match November 12, 2023

Here are the results of the November 12th Long Range Silhouette Match. As I recall the weather was rather nice with very little wind. We still had a good turn out with 12 shooters. Most of the scores stayed in the low to mid 30's and Tom O. needed just one more ram to get a perfect score. Hang in there Tom! We will hopefully see all of you at the December match.

I encourage anyone with a .22 rifle to come out and give this a try! Most folks that have are now hooked. If you have any questions, please call or text Tom 505-350-4026

Please note, on the 2nd Sunday of each month when this match is held on the East range, the F-Class range and the Precision Tactical range is closed for the duration of this event.

The bench rest rifle silhouette (formerly known as "Mouse Gun") match is held on the second Sunday of each month.

For those of you that are wondering what we do...

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2"x2" in size. The pigs which are roughly 3"x4" are set at 100 meters, the turkeys, roughly 3"x5" tall are set at 150, and the rams 6"x4" are at 200 meters. All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited "sighters" at the beginning sighters being shots that are fired at a 8"x11" steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the "sighters" stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus "sighters".

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.

So happy to see so many of you braved the weather the weather to come out and shoot. Good thing we had the extra hour this morning since weather was so bad for setup yesterday. We will try the adjusted schedule for a few times and then take a poll and see how popular it is.

We have a new shipment of birds (full trailer load) coming on Thursday, December 14 at 9:00 a.m. Anyone who is available to help, please let me know so I can coordinate.

Happy Thanksgiving All.
