The **October** meeting of the Zia Rifle & Pistol Club is scheduled for **Thursday, October 17th** at 7:00 PM at **Bear Canyon Senior Center, 4656 Pitt NE**. All members are welcome and encouraged to attend. If there is anything you would like to discuss, please contact Secretary, Chris Garrett.

*See you there!*

### **August 15, 2024 Zia Board of Directors Meeting Minutes**

The August 15, 2024 BOD meeting was called to order at 7:00 p.m. at the Bear Canyon Senior Center, with Club President Pat Milesbosky presiding. A quorum of the BOD was achieved with 18 out of 21 members in attendance.

#### **Item I - Approval of Agenda and Minutes**

The meeting Agenda was approved with two additions (funds request for action shooting clinic and funds for USPSA). The July meeting Minutes were approved without changes.

#### **Item II - Treasurer's report**

Sharon Foreman gave the Treasurer's Report. She reviewed the first and second quarter activity and July Statement of Activity. Activity budget balances were shared with the Activity Chairs. The Treasurer's Report was approved.

#### **Item III Legislative Action Committee Report**

Nate informed the BOD about some of the bills that may show up in the Spring Session. Of note is an amendment to child welfare act to take your child if they gain negligent access to a firearm.

#### **Item IV - Old Business**

Heidi Chowning gave an update on procuring and securing AEDs on the range: using gate keys is cost prohibitive, so we have no good solution for both securing and allowing access. The three options we are considering are, 1.) lease, which includes maintenance and battery replacement, but we would still have to pay if stolen, 2.) purchase and pay for maintenance contract (battery replacement would not be included), or 3.) do not get an AED. Lots of discussion, but no motions were made.

Heidi informed the BOD that the trauma first aid training is Saturday 9/14 from 10-2 at the city range 16 of 22 seats filled.

Then Heidi discussed the Action Shooting Clinic. The size was held to 20 for safety and it filled up in 2 days. Concern for attendees without guns or gear requesting \$500 to cover ammunition. A motion was made, seconded and passed.

Tom Tomasi informed the BOD that the NRA RO Training, taught by Andy Montoya, currently has 1 more person signed up than the original allowance with no date/time/place yet.

Pat updated us on the range road repairs. The Operating Engineers came in and repaired the west fork of the west road. Started working on the East range (East range \closed during work). Cost/hours are being tracked by them.

### **Item V - New Business**

Multiple of the Club's Junior shooters came and gave a report to the board. Their stories varied, but each has learned a lot from their experiences and are very thankful they have Zia for sponsorship, facilities, and coaching.

Gary Wells invited some of his Veteran's Air Gun participants up to address the BOD. The stories and experiences these competitors have had are incredible and Zia is pleased to be a small part of it.

Pat Milesosky told the BOD he talked to Joe (the Operating Engineer's manager), who is going to his management to see if Pat can take an OE class to get certified to use the big front-end loader.

Pat appointed Nate Esky to be the Nomination Committee pursuant to the Club ByLaws.

Pat requested \$500 to obtain another roll-off dumpster for cleaning up the range. A motion was made, seconded, and passed.

Finally, Pat told the BOD about the USPSA Sectionals coming up and how Zia could help them with their prize table. This has the potential of drawing many more competitors to New Mexico than would otherwise attend. After much discussion, a motion was made to donate \$2000 in exchange for 2 entries for the match. The motion was seconded and passed.

### **Item VI - Adjourn**

After discussing all the items on the agenda, and there being no further business, the meeting was adjourned at 8:11 p.m. The next BOD meeting will be held on September 19, 2024, starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

## Member Spotlight Dustin McGlasson

1. *How long have you been a Zia member?*

Going on 2 years.

2. *What made you want to join a shooting club/Zia?*

The location makes it very convenient to practice for shooting sports. Additionally, the offerings at the range allow one to practice nearly all facets of the shooting sports.

3. *When did you start shooting?*

My father was the biggest influence. Growing up in Gallup, at the time, we had lots of options available to go plinking. Growing up, I have many fond memories of attending NRA banquets where I continued to learn firearm safety and the benefits of firearm ownership. One of the funniest memories I have from the banquets was being called upon to draw winning raffle tickets. For some reason, I kept drawing tickets for myself, my father, and a family friend that was with us that day. The gentleman running the event bet me 5\$ I couldn't draw the name of someone at our table for the next drawing. Guess who left 5\$ richer that evening.

When I started high-school, I started my competitive journey shooting 3 position 10M air rifle. As I started my career in IT, I learned several of my coworkers participated in USPSA matches at the city range. Much to my coworkers surprise, I showed up at the next match with a 1911 45acp when they expected me to only watch. Who could turn down that level of fun?

Flash forward to today and I still continue to participate in matches. I love competition, whether it's action pistol at Zia, USPSA matches around NM, 2 Gun, or strictly black rifle. I typically attend around 6 major matches a year, traveling to places like Utah, Colorado, Texas, or Arizona to do so.

4. *What do you like the most about Zia?*

Definitely the people of Zia. The passion that folks have for the Zia range is truly awe inspiring. The range itself is also pretty great, offering just about everything a shooter needs to hone their skills.

5. *Which activities do you participate in at Zia?*

I tend to participate once a month in Zia Action Pistol matches. One of these days I'll try out 3 Gun!

6. *Which of your guns do you like shooting most?*

I've always been a Glock fan boy. There's just something about being able to pick up a stock gun off the shelf and immediately being able to shred at a match with it. Don't get me wrong though, I definitely enjoy shooting an AR as well. Right now my main competition gun is a lightly modified Glock 47.

7. *What are your thoughts on things the club should do in the future?*

I'd say modernization. The club has definitely made great strides as of late in this regard. There is definitely a fine line to be followed to ensure we make the club as accessible as possible while also not investing too much that if the land lease were to be rescinded for some reason, that the club isn't out a fortune due to further development of the range and land.

8. *Who do you shoot with most?*

There's certainly too many to name. But I do spend a lot of time with all the Albuquerque area USPSA shooters.

9. *If you could get a shooting lesson from anyone, who would it be and why?*

Eric Grauffel, the man is a legend.

10. *What's something interesting about you that's completely unrelated to shooting?*

I'm a huge computer nerd.

*Thanks Dustin!*

## Congratulations Shooters!

Air Gun coaches Annalise Doyle and Cat Ivie from the Albuquerque VA Hospital, took their teams to the national matches this year. The teams train at Zia Rifle & Pistol Club in the range house.

The National Veteran's Wheelchair Games were held beginning July 25th in New Orleans. The team participated with Ismael Baca taking home a silver medal in air rifle and Mark Witson also bringing home a silver medal.

The VA Ambulatory Team joined the games in Salt Lake City beginning August 25th. The small team of nine shooters from New Mexico did extremely well with six members winning eight medals.

Maddie Brooks - silver medal in rifle  
Judy Goering - bronze medal in rifle  
Tom Rabatin - silver medal in pistol  
Ted Skibyak - gold medal in rifle and gold medal in pistol  
Gary Wells - gold medal in rifle and gold medal in pistol  
Mark Witson - bronze medal in rifle

Additionally, Gary's rifle score was the highest of all 278 athletes and he was the Grand Champion Air Rifle shooter! Ted Skibyak was second overall in air rifle by only 0.7 points. Adding Judy Goering's rifle score and New Mexico was the top three-person air rifle team in the nation! New Mexico bested great air rifle teams from Hawaii, California, Texas, Florida and New York. Training for next year's games in Memphis has already begun.

Coach, Cat Ivie, Tom Rabatin, Ted Skibyak, Gary Wells, Mark Witson, Coach Destiny Fritz, Judy Goering with the VA Ambulatory Shooting Team

National Wheelchair Games Silver Medal winners Mark Witson, Ismael Baca, with Coach Annalise Doyle

## Burque Bandits

The Wednesday night Air Gun Activity is getting better with each match. The club has elected to be known as the Burque Bandits. This week's scores for forty targets were:

|        |       |
|--------|-------|
| Mike   | 372.9 |
| Pat.   | 395.7 |
| Ismael | 396.8 |
| Bill   | 397.2 |
| Larry  | 398.2 |
| Gary   | 417.7 |

Mike is shooting in Class B, Pat and Ismael are shooting in a solid Class A, Bill moved into Class A this week and Gary moved into Class AA for the first time.

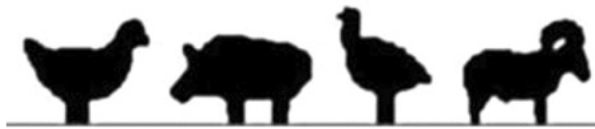

We have a New Mexico Air Gun League match on November 16. Next year we will be shooting New Mexico Air Gun League, Senior Olympics and CMP Postal Matches for lots of competition.

*Results of the  
Small Bore Rifle Silhouette Match  
September 1, 2024*

What a great day it was to shoot! The temperature was pleasant and there were just enough breezes to keep it cool and comfortable. There were 24 competitors which constituted 3 full relays for not only the 1/2 size match but also for the 1/5 size match. We had the pleasure of having one new shooter, Patrick G who turned in a very good unclassified score of 24. Just as we were finishing the match it started to get very warm (HOT) and we were all thankful for the day we had and the fun of it all. Many shooters won 5 and 10 in a row pins to add to their collections.

**Highlighted scores indicate class winners.**

Please note the 5 and 10 in a row winners as indicated in the score table.

The matrix for this class structure is:

|        |         |
|--------|---------|
| Master | 34 - 40 |
| AAA    | 28 - 33 |
| AA     | 21 - 27 |
| A      | 15 - 20 |
| B      | 0 -14   |

This class structure has no bearing on any classifications or qualifications outside of this specific match. The purpose is to allow everyone a fair chance at competition and provide a structure for advancement. The way you advance to the next level is to shoot 3 subsequent scores within the higher range(s). New shooters will shoot “unclassified” and once a score is recorded, that will be the class in which they will shoot until higher scores move them “up”.

### 1/5 size target results:

For the first time we had 3 full relays in the 1/5 size target match. The competition was fierce, but Danny L. won overall with a 28! Honorable mention goes to Eric who turned in a score of 13 with iron sights. Manare those targets tiny!

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 yards, 10 pigs at 60 yards, 10 turkeys at 77 yards, and 10 rams at 100 yards. A total of 40 rounds are needed for a match plus sight in rounds.

We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following is information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full time allowance, if all competitors in that relay have completed firing.

#### Time Allowances:

**Ready Time** - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two and one half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

**Alibis** - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

**Shoot-offs** - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the command CEASE FIRE and READY.

**The small bore rifle silhouette match is held on the first Sunday of each month.**

Setup starts at 8:00am. We will have a sight in/practice period starting after set up and will start the match promptly at 9:00am. This event is open to any Zia member/guest and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

**The adjacent bench rest/plinking range to the immediate West of the Small Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety.**

## Results of the Long Range/Xtended Long Range Bench Rest Rifle Silhouette Match September 8, 2024

### Results of the Standard Long Range:

It was a great day for shooting! The wind was slight and we had a very large crowd, 16 shooters!

There was some great shooting, with Kevin B. almost getting that elusive 40 turning in an excellent score of 37. Tom O. was close behind with 36 and Guy N. followed with 35. Effective at October's match I will keep a small supply of 40 for 40 award pins, and will be looking forward to witnessing the first perfect score

Thanks to all that came out and helped set up the targets. See you next month.

### Results of the Xtended Long range:

In the Xtended long range match we had 10 shooters with a couple of new faces. We welcomed Roy T. and Patrick G. to the competition group.

The Xtended long range match is catching on and it appears that 28 is the highest score that has been recorded so far. But the way that I see guys practicing repetitively and using more exotic ammo, 30 and above is just around the corner. Even yours truly has bumped the 30 benchmark with a 27, this score tied Steve S. But the wind was picking up and we decided to not have a shoot off. Effective at October's match I will keep a small supply of 40 for 40 award pins, and will be looking forward to witnessing the first perfect score.

The bench rest rifle silhouette (formerly known as “Mouse Gun”) match is held on the second Sunday of each month.

For those of you that are wondering what we do...

**For the Standard long range competition:**

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2”x2” in size. The pigs which are roughly 3”x4” are set at 100 meters, the turkeys, roughly 3”x5” tall are set at 150, and the rams 6”x4” are at 200 meters.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters.

**For the Xtended long range competition:**

We shoot chickens at 150 yds. pigs at 200 yds., turkeys at 290 yds., and rams at 325 yds. The size of these targets are 3/8 scale much bigger than the standard 1/5 scale targets, but further away.

**In order to shoot either long range match:**

All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited “sighters” at the beginning sighters being shots that are fired at a 8”x11” steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the “sighters” stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus “sighters”.

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.

I encourage anyone with a .22 rifle to come out and give this a try! Most folks that have are now hooked. If you have any questions, please call or text Tom 505-350-4026

Please note, on the 2nd Sunday of each month when this match is held on the East range, the F-Class range and the Precision Tactical range is closed for the duration of this event.

**Scheduled Match in Progress  
Adjacent range(s) closed for  
duration of match**

You will start to see this sign at some of the scheduled matches starting in November. For safety purposes and as documented in the by laws, Article VIII, Section 2(b) states:

Matches or tournaments will take precedence over other shooting activities at the Range and for safety reasons certain ranges will necessarily be closed during the hours of the match or tournaments.

Every effort will be made to publish range closures in the Club Newsletter and on the web site prior to such a match or tournament. The Range Officer in charge of the match shall have the authority to halt firing on any adjacent ranges which he deems unsafe to the competitors or other shooters.

Closures will be as follows:

| Day Scheduled | Event                                  | Range(s) closed                                      |
