Treasurer	Sharon Foreman	505-350-4026	<a href="mailto:treasurer@ziarifleandpistolclub.com">treasurer@ziarifleandpistolclub.com</a>

The **August** meeting of the Zia Rifle & Pistol Club is scheduled for **Thursday, August 21st** at 7:00 PM at **Bear Canyon Senior Center, 4656 Pitt NE**. All members are welcome and encouraged to attend. If there is anything you would like to discuss, please contact Secretary, Chris Garrett.

*See you there!*

Earlier today, (July 30th) we were made aware by our neighbors at Kirtland AFB that a sign hanging on their fence had been shot.

This is unacceptable and unsafe. If it becomes known who shot this sign, that person will be banned from Zia.

Upon examining the sign from our side of the fence, it was immediately obvious that the impact was a direct impact to the face of the sign from the covered shooting area on the east range.

This is unacceptable and unsafe. If it becomes known who shot this sign, that person will be banned from Zia.

**These signs and the fence ARE NOT targets. DO NOT EVER shoot at them.**

As a reminder, only approved targets are allowed on Zia ranges. Those targets must be set up at the base of a berm, so that rounds fired at them impact and come to rest in that berm. It is absolutely not permitted to intentionally fire a round that leaves Zia, much less one that crosses the fence and enters Kirtland. For a refresher on the range rules in the member guidebook, you can download a copy of the Member Guidebook from the Zia web site. **"Given the open nature of these ranges, it is especially important to place targets ONLY in front of the berms provided so that every round comes to rest in the berm and does not ricochet out of the range."**

The astute reader will observe that one of the pictures above is clearly taken from the Kirtland side of the fence. There is a patrol road on that side of the fence - ATV, vehicle, and foot patrols all use that road intermittently. As a reminder, if you are on one of the east ranges (except the shotgun range) and see or hear anyone approaching or present in the area south of the firing line on the Kirtland side of the fence, you must immediately call a cease fire.

If you have any information regarding the circumstances under which the above sign was shot, please call Pat at (505) 266-8904.

## Valencia County 4H Small Bore Team Wins 4H Nationals!

Zia junior shooters, Cohen Ahner, Tesa Fernandez, Kaylee Higginbotham and Nathan Higginbotham, recently returned from the 4H National Shooting Championships in Grand Island Nebraska. They shot 3 disciplines, Metallic Silhouettes, CMP Sporter and Precision. There were 89 Shooters on 22 teams from 40 states across the nation.

We are so grateful for the support and financial contribution that allowed the youth to participate on the national level.

### Silhouette Results

Cohen Ahner, 6th Place

Tesa Fernandez, 24th Place

Kaylee Higginbotham, 36th Place

Nathan Higginbotham 76th Place

### Team Results

6th Place

### CMP Sporter Results

Cohen Ahner, 13th Place

Kaylee Higginbotham, 56th Place

Nathan Higginbotham, 62nd Place

Tesa Fernandez, 83rd Place

### Team Results

11th Place

### 3 Position Precision Rifle (Olympic Rifle)

Cohen Ahner, 1st Place

Tesa Fernandez, 2nd Place

Kaylee Higginbotham, 8th Place

Nathan Higginbotham, 16th Place

### Team Results

1st Place

### Overall Results

#### Individual

Cohen Ahner, 1st Place, National Champion!

Kaylee Higginbotham, 26th Place

Tesa Fernandez, 39th Place

Nathan Higginbotham, 45th Place

## Member Spotlight

### Toma Shaver

Toma Shaver has been a member of Zia for 15+ years. “Never took the time to count, I don’t even know the year I joined for sure.” She says that shooting has been “a part of my life since I was old enough to hold a 410 shotgun, probably 9 or 10 years old.”

She joined Zia because “Joel Martin encouraged me to become a member of this great organization in order to expand my youth rifle coaching opportunities. One of the best decisions I have ever made.”

She says that what she likes most about Zia is, “it gives me the opportunity to introduce youth to both recreational shooting and competitive shooting on respective ranges in a positive safe environment. In addition, Zia members often take the time to visit and encourage their endeavors.”

On a broader platform, Toma says, “Zia gives members and their guests the opportunity to enjoy shooting their firearms in a safe environment.”

*Which activities does Toma participate in at Zia?*

“Mostly I am just coaching youth in air rifle and smallbore rifle disciplines using both indoor and outdoor ranges. I do enjoy attending the Silhouette Matches and watching my kids compete.”

*Toma was asked which of her guns does she like shooting the most?*

“Big guns and hunting are basically in my fond memories as the recoil hurts these old shoulders. I still like to practice and shoot my Air Rifle and compete in the CMP Benchrest Postal Matches quarterly.” She also says that her Smith and Wesson left hand grip, 38 special comes in as a close 2nd for a personal defense weapon.

*What are your thoughts on things the club should do in the future?*

Zia needs to continue to be a positive place for members, their families and guests to safely learn and practice using firearms in a

safe manner. It needs to emphasize participation in both recreational and competitive shooting sport activities.

When asked who she shoots with the most, Toma said, “when I actually get around to shooting instead of coaching, it is with my 4-H families or my grandson who was raised on the Zia range and now shoots competitive NRA matches.”

*And who would Toma love to get a shooting lesson from and why?*

“Heidi Chowning is an excellent instructor in women’s self defense and handling pistols. I am a rifle person and would love to become more confident in shooting with a pistol.”

*And finally, what’s something interesting about Toma that is completely unrelated to shooting?*

“Ask me anything about mules. I owned and have ridden mules most of my life. My last mule stayed with me until about 4 years ago when she traveled to mule heaven.

4-H is still a major part of my life. I still raise goats for 4-H kids to show-both dairy goats and meat goats. You will find me at Valencia County Fair as the Dairy Goat Superintendent and at the NM State Fair supporting my 4-Her’s showing their Dairy Goats. I also attend many Club Calf Shows and help with whatever is needed from record keeping to getting the show heifers, steers and kids ready for the show ring.

Just to make sure I am not staying home and growing old, I am employed at the School of Dreams Academy-the one and only charter school in Valencia County. I am the “In School Suspension” teacher for 6th through 12 grade.”

*Thanks Toma!*

## Results of the 3<sup>rd</sup> Annual “Firecracker 40” Match July 6, 2025

Photos: Tesa F. wearing the Tiara for 1<sup>st</sup> time 10 in a row pin award, top right Class winners left to right - Matt M., Gary B., Cohen A., Tesa F., Jerry C., Bryan B., Gary D., Jared B. Middle right Matt M. wearing the Tiara for 1<sup>st</sup> time 5 in a row pin award. Bottom Left to right Sid G. winner of score card bingo, the celebrational spread, Tesa F. and Sharon F on the line.

I hope that this newsletter finds you and yours in great spirits and health. Our 3<sup>rd</sup> annual “Firecracker 40” was a resounding success. We had 26 shooters with 4 relays. We really could not have asked for a better day, weather wise. It was sunny and just enough breeze to keep things cool without affecting our shots. We started off the morning honoring the flag and playing the national anthem. About ½ way through the song, the music connection was lost, but Lu S. picked right up and sang the rest of the song not skipping a beat! We thanked all the veterans in attendance for their service and sacrifices so that we could all enjoy living in this great country the USA.

Cohen A. again had a great day shooting 38. Not only do we know that this guy can shoot well, but we also found out that he is not a bad cook either. Making a homemade blueberry cobbler that did not last very long on the food table. My kind of guy!

Gary D. turned in an impressive score of 27 in the Iron sights class. New shooter, Matt M. turned in 18 with 5 in a row chickens for his first event! Speaking of in a row pins we had multiple competitors win “in a row” pins. I know that those pins are little, but they are a BIG deal when you win them!

During and match we enjoyed a potluck lunch complete with grilled hot dogs, and all kinds of other foods that make summer so special. Thank you to everyone that brought food and to everyone who helped with the set up and take down of the targets. It is my honor to be associated with such a great group of people.

*Continued on next page*

**Highlighted scores indicate class winners.**

Please note the 5 and 10 in a row pin winners as indicated in the score table.

The matrix for this class structure is:

Master	34	40
AAA	28	33
AA	21	27
A	15	20
B	0	14

This class structure has no bearing on any classifications or qualifications outside of this specific match. The purpose is to allow everyone a fair chance at competition and provide a structure for advancement. The way you advance to the next level is to shoot 3 subsequent scores within the higher range(s). New shooters will shoot “unclassified” and once a score is recorded, that will be the class in which they will shoot until higher scores move them “up”.

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 yards, 10 pigs at 60 yards, 10 turkeys at 77 yards, and 10 rams at 100 yards. A total of 40 rounds are needed for a match plus sight in rounds. We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following is information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full-time allowance, if all competitors in that relay have completed firing.

Time Allowances:

Ready Time - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two- and one-half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

**Alibis** - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

**Shoot-offs** - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the commands CEASE FIRE and READY.

**The small-bore rifle silhouette match is held on the first Sunday of each month.**

Setup starts at 8:00am. We will have a sight in/practice period starting after set-up and will start the match promptly at 9:00am.

This event is open to any Zia member/guest, and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

**The adjacent bench rest/plinking range to the immediate West of the Small-Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety.**

For additional information contact Sharon Foreman, email: [treasurer@ziarifleandpistolclub.com](mailto:treasurer@ziarifleandpistolclub.com)

Continued from previous page

The bench rest rifle silhouette (formerly known as “Mouse Gun”) match is held on the second Sunday of each month.

For those of you that are wondering what we do...

For the Standard long range competition:

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2”x2” in size. The pigs which are roughly 3”x4” are set at 100 meters, the turkeys, roughly 3”x5” tall are set at 150, and the rams 6”x4” are at 200 meters.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters.

For the Xtended long range competition:

We shoot chickens at 150 yds. pigs at 200 yds., turkeys at 290 yds., and rams at 325 yds. The size of these targets are 3/8 scale much bigger than the standard 1/5 scale targets, but further away.

In order to shoot either long range match:

All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited “sighters” at the beginning sighters being shots that are fired at a 8”x11” steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the “sighters” stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus “sighters”.

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.

I encourage anyone with a .22 rifle to come out and give this a try! Most folks that have are now hooked. If you have any questions, please call or text Tom 505-350-4026

Please note, on the 2nd Sunday of each month when this match is held on the East range, the F-Class range and the Precision Tactical range is closed for the duration of this event.

**2025 Board of Directors Meeting Schedule**

All meetings are held at the Bear Canyon Senior Center, and begin at 7:00 p.m. All Zia members are welcome to attend. If there is an issue you would like to bring up to the Board, please contact Secretary, Chris Garrett a week prior to the meeting so that you may be put on the agenda.

Many thanks to all those who helped setup and cleanup. Although the temp was supposedly only about 85, at the end of the shoot today it seemed hotter. Plenty of sun and lack of wind helped make it an enjoyable day.

We will see you all next month for one last chance to get better before hunting season.

Lyn

## Zia Bans Sig Sauer P320

**Effective immediately, all variants of the Sig Sauer P320 are banned at Zia until further notice. Please see below for more information.**

On Sunday, an airman in Wyoming set his holstered Sig M18 (the military version of the Sig Sauer P320) on a table. Tragically, this was the last thing he would ever do. His issued pistol fired uncommanded in the holster, striking him in the chest and killing him.

This is only the latest in a string of what have become known as "uncommanded discharges" with Sig P320-series firearms, often in the holster. ICE discontinued use of the P320 earlier this month. A couple weeks ago, a report written last year for the Michigan State Police by the FBI's Ballistic Research Facility was released that found (amongst other things) "with movements representing those common to a law enforcement officer it is possible to render the Striker Safety Lock inoperable and ineffective at preventing the striker from impacting a chambered round if complete sear engagement is lost." As a result of the airman's death, the entirety of the Air Force's Global Strike Command is pausing use of the M18 until further notice and planning on a 100% inspection of tens of thousands of pistols. This is only a sampling of incidents, which are often available on video, where a P320-series firearm discharges without manipulation, often while still holstered.

We all rely on holstered to be a safe direction. If the gun is in the holster, there are almost certainly things in front of the muzzle that we do not want to put a round into. The pattern of incidents around the P320 is such that we recommend that anyone who owns one seriously consider their risk tolerance regarding the gun firing itself, possibly inside the holster. Issues with the P320 do not, at this time, seem to extend to other Sig handguns, including the P365. As always, do your own research, make your own decisions that work for your lifestyle, and stay safe!

*Please see following page for adjacent range closures.*

# ***Important! Please Read!***

**Scheduled Match in Progress  
Adjacent range(s) closed for  
duration of match**

You will start to see this sign at some of the scheduled matches starting in November. For safety purposes and as documented in the by laws, Article VIII, Section 2(b) states:

Matches or tournaments will take precedence over other shooting activities at the Range and for safety reasons certain ranges will necessarily be closed during the hours of the match or tournaments.

Every effort will be made to publish range closures in the Club Newsletter and on the web site prior to such a match or tournament. The Range Officer in charge of the match shall have the authority to halt firing on any adjacent ranges which he deems unsafe to the competitors or other shooters.

Closures will be as follows:

Day Scheduled	Event	Range(s) closed
1st Saturday	ARA Bench rest	Small bore silhouette & 200 yd. rifle sight in range
1st Sunday	Small Bore Rifle Silhouette	ARA Bench rest & 200 yd. rifle sight in range
1st Sunday	600 yd. Prone (F class)	Precision Tactical Rifle and Hi-power Silhouette
2nd Sunday	Small Bore Bench rest Rifle Silhouette	Precision Tactical Rifle and 600 yd. prone (F class)
3rd Saturday	ARA Bench rest	Small bore silhouette & 200 yd. rifle sight in range
3rd Saturday	Precision Tactical Rifle	Hi-power Silhouette and the 600 yd. prone (F class)
3rd Sunday	Hunter Pistol Silhouette RF & CF	Precision Tactical Rifle and 600 yd. prone (F class)

*Your best bet is to check the monthly calendar for schedule changes. However, no matter the day/date scheduled, **when the scheduled match is being held, the indicated adjacent range(s) will be closed.***
