July 17, 2025 Zia Board of Directors Meeting Minutes

The July 17, 2025 BOD meeting was called to order at 6:58 p.m. at the Bear Canyon Senior Center, with President Pat Mileschosky presiding. A quorum of the BOD was achieved with 19 out of 21 members in attendance.

Item I - Approval of Agenda

The meeting Agenda was approved with three additions: announcement (Ted), member spotlight (Heidi), and concrete pads (Pat).

Note: the June meeting Minutes were approved via email.

Item II - Treasurer's report

Sharon Foreman presented the Treasurer's Report. She went over the June Statement of Activity, pointing out the various Club expenses including the annual lease and cleanup trust payments. The Treasurer's Report was approved.

Item III Legislative Action Committee Report

Nate Eskey gave a short update, explaining there has been very little movement on gun control since the legislature has been focused on the budget.

Item IV - Old Business

Pat Mileschosky gave an update on the range house roof project. He has received six quotes thus far ranging from \$17k to \$29k. Pat suggested putting together a panel to help review the quotes and 4 people in the room volunteered to help.

Item V - New Business

Casey Ahner (Proxy for Toma Schaver) brought five juniors up to report on their shooting events in the past months. Zia has very talented shooters and they have done well at 4H Nationals, Jr. Olympics, CMP Nationals, and others. They talked about their experiences and are extremely grateful to have the support of Zia.

Pat Mileschosky is researching a project to replace two drain culverts on the road that goes downrange on the East range that desperately need attention. He is going to engage with the operating engineers to see if larger culverts can be installed.

Pat also reported that he has received multiple complaints about the shooting area at the plinking pits needs a better surface. He will get help with the specifications and then get quotes on having pads poured.

continued on next page

Finally Pat informed the room that Kirtland AFB has sent the Club a “concern”. A meeting has been set up to discuss the details and more information is forthcoming.

Jay Sullivan has been looking into getting two more benches for the ARA activity. It would cost \$3400 to buy two identical units, but Jay thinks we could build them ourselves (metal and concrete). He asked for \$600 for materials. A motion was made, seconded, and passed. Then Tom Foreman asked for \$250 for materials to build some additional seating (benches) for the ARA area. A motion was made, seconded, and passed,

Chris Garrett described a membership issue affecting a member of the BOD that was discovered and corrected within the past few months and moved for a vote to make the correction retroactive. The motion was seconded and passed. The BOD asked if it is possible to audit the gate log to verify only keys registered to current members are accessing the range. Chris and Lois will work on obtaining the gate access logs and perform the audit.

Ted Simmons reported that Ed Saucier suffered a fall and had to get surgery for a broken femur. He is doing well but will have quite a bit of healing to do.

Heidi Chowning said she was working to get the Member Spotlight article back into the Newsletter. She listed the next several members to be highlighted and asked for ideas for more.

Item VI - Adjourn

After discussing all the items on the agenda, the meeting was adjourned at 7:56 p.m. The next BOD meeting is scheduled for August 21, 2025, starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

- AIR GUN ACTIVITY -

Great news from the Air Gun Activity at Zia.

First, the competition air gun team is expanding. There is room for four more serious air rifle and air pistol team members. We train about twice a week at the Zia indoor range and compete about ten times a year. Some of the competitions are at Zia. The others are in-state. If you have an interest in exploring this competitive option; please call Gary at 505 681-3687 or Bill at 505 385-6022.

Second, the Air Gun Activity will be hosting an Open House at the Zia Indoor Range on New Years Day. We are trying to establish a new parent/child or grandchild BB Gun league. This is primarily for all the kids who just got a new Daisy Red Ryder BB Gun for Christmas. Parents have a week to teach basic gun safety and then we can pop some balloons and have lots of safe fun. If we have a good interest we can bring everyone back once or twice a month for a BB Gun League.

Paul E. Rockhold October 12, 1935 - July 4, 2025

Long time Zia member, Paul Rockhold, passed away on July 4, 2025. He spent many hours shooting at the range with his wife, Sarah, who passed in 2003. It was said of Paul: “as a retired salesman and small business owner, if you ever encountered him, he would talk ‘till you needed your next haircut!’”

Paul served in the USMC from 1954-1956, followed by several years in the reserve. He was a Benefactor Member of the National Rifle Association. He and Sarah became the New Mexico Coordinators of the Eddie Eagle Gun Safety Program, and in the ten years they ran the program, they taught gun safety to nearly 300,000 elementary school children in the state. Being staunch defenders of the Second Amendment, Paul and Sarah were instrumental in seeing concealed carry passed in New Mexico.

If you knew Paul, he was your friend. He was fun and funny and could talk at length on *any* subject. He will be missed by all of us who called him our friend.

Results of the Small-Bore Rifle Silhouette Match August 3, 2025

Pictures: Top-left to right Bill T., Charles E., Javier C., Bryan B., Denise McT., Jerry C. all class winners.
Lower left Lu S., lower right Denise McT., both winners of 10 in a row ram pins.

What a great day to be a silhouette shooter. The weather was perfect, and the scores were high. We had 3 relays and still we were finished well before noon. We recently added a new class of competition the Stationary class. This class is for competitors who may have reasons that they cannot either stand and/or hold a rifle. They are allowed to be seated, and bench rest their rifles. We had 2 new shooters in this class Denise McT. and Lu S. who proved to be quite competitive with each of the shooters getting 10 in a row rams!

Highlighted scores indicate class winners.

Please note the 5 and 10 in a row pin winners as indicated in the score table.

The matrix for this class structure is:

Master 34 - 40
AAA 28 - 33
AA 21 - 27
A 15 - 20
B 0 - 14

This class structure has no bearing on any classifications or qualifications outside of this specific match. The purpose is to allow everyone a fair chance at competition and provide a structure for advancement. The way you advance to the next level is to shoot 3 subsequent scores within the higher range(s). New shooters will shoot “unclassified” and once a score is recorded, that will be the class in which they will shoot until higher scores move them “up”.

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 yards, 10 pigs at 60 yards, 10 turkeys at 77 yards, and 10 rams at 100 yards. A total of 40 rounds are needed for a match plus sight in rounds. We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following is information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full-time allowance, if all competitors in that relay have completed firing.

Time Allowances:

Ready Time - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two- and one-half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

Alibis - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

Shoot-offs - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the commands CEASE FIRE and READY.

The small-bore rifle silhouette match is held on the first Sunday of each month.

Setup starts at 8:00am. We will have a sight in/practice period starting after set-up and will start the match promptly at 9:00am.

This event is open to any Zia member/guest, and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

The adjacent bench rest/plinking range to the immediate West of the Small-Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety.

The bench rest rifle silhouette (formerly known as “Mouse Gun”) match is held on the second Sunday of each month.

For those of you that are wondering what we do...

For the Standard long range competition:

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2”x2” in size. The pigs which are roughly 3”x4” are set at 100 meters, the turkeys, roughly 3”x5” tall are set at 150, and the rams 6”x4” are at 200 meters.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters.

For the Xtended long range competition:

We shoot chickens at 150 yds. pigs at 200 yds., turkeys at 290 yds., and rams at 325 yds. The size of these targets are 3/8 scale much bigger than the standard 1/5 scale targets, but further away.

In order to shoot either long range match:

All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited “sighters” at the beginning sighters being shots that are fired at a 8”x11” steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the “sighters” stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus “sighters”.

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.

I encourage anyone with a .22 rifle to come out and give this a try! Most folks that have are now hooked. If you have any questions, please call or text Tom 505-350-4026

Please note, on the 2nd Sunday of each month when this match is held on the East range, the F-Class range and the Precision Tactical range is closed for the duration of this event.

It was a nice hot shoot. Thanks to all who helped clean up and set up. Anyone willing to help on a regular or semi-regular basis would be appreciated. We will train you, and tailor what we ask you go do to your capabilities. I know not everyone wants to lug batteries or deal with the machines. Just shoot me an email if you are interested.

Thanks,

This certificate of appreciation was presented to the Surrey Rifle Association in 1992 by Zia Rifle and Pistol Club. Some of Zia's high power shooters traveled to England to compete in a match and were very appreciative of the hospitality shown to them by the local gun club. The certificate is still there and was discovered by Ginger McLemore who was in England recently competing in a match.

Congratulations to Ross Haney for shooting a perfect score at the Jeff Kirkwold Shotgun Qualifier. This win, will secure him a slot at the World Shotgun Shoot in Greece in 2026. Ross is in the standard manual division (pump).

Ross is Zia's 3-Gun Tactical Activity Chairman.
