The **October** meeting of the Zia Rifle & Pistol Club is scheduled for **Thursday, October 16th** at 7:00 PM at **Bear Canyon Senior Center, 4656 Pitt NE**. All members are welcome and encouraged to attend. If there is anything you would like to discuss, please contact Secretary, Chris Garrett.

See you there!

**Please note closures of High Power and Shotgun Ranges on October 25th.
The road to the East Range will also be closed.**

August 21, 2025 Zia Board of Directors Meeting Minutes

The August 21, 2025 BOD meeting was called to order at 7:00 p.m. at the Bear Canyon Senior Center, with President Pat Mileschosky presiding. A quorum of the BOD was achieved with 17 out of 21 members in attendance.

Item I - Approval of Agenda

The meeting Agenda was approved with three additions: announcements (Heidi) and a gift to Rio Grand Practical Shooting Club (Pat). The July meeting Minutes were approved without changes.

Item II - Treasurer's report

Sharon Foreman presented the Treasurer's Report. She went over the July Statement of Activity, pointing out the various Club expenses. The Treasurer's Report was approved.

Item III - Old Business

Pat Mileschosky gave an update on the KAFB safety concern steel and target stands have been removed from berms that have line of sight from the covered shooting area to the KAFB fence. These berms are scheduled to be removed. Some of the berms have been or will be moved towards the west. KAFB has asked if there would be a way to notify the line to go cold when they are about to patrol the fence, but that is going to involve technical challenges and possibly significant cost (requiring more discussion and/or assistance from KAFB, these discussions are planned). Work on the East range berms is scheduled for Saturday Oct 11 and Saturday Oct 25 (East range will be closed on those days).

Pat also gave an update on the range house roof. The cost and complexity of a metal roof is high (especially having to repair any bowed decking to be perfectly flat). Pat wants to circle back with the best companies to get bids on a shingle roof.

Finally, Pat updated the board on Zia's Sig P-320 ban. Even though new evidence has come to light that the Airman was not killed by an uncommanded discharge, we are not lifting the ban at this time (other Clubs across the country are banning this pistol).

Item IV - New Business

Pat Milesosky was not prepared to appoint the annual Nomination Committee but did let the Board know he is currently working to find a good (and willing) nominee for Zia Club President (Nomination Committee will be appointed and approved next month).

Pat asked the Board to consider giving funds to the Rio Grande Practical Shooting Club to help pay for the High Desert Classic. After discussion a motion was made to give them \$500, seconded, and passed.

Heidi Chowning made two fun announcements. The first was about a Zia plaque from 1992 on the wall at the Surrey Shooting Club in England apparently we sponsored a high-power rifle team to go to a match over the pond. The second announcement was that our very own Ross Haney qualified for the World Shotgun Match and will be travelling to Greece next year for the competition.

Tom Foreman requested funds to pay for replacement silhouette targets and materials to build target stands on the East range. A motion was made for the \$450 he requested, seconded, and passed.

Item V - Adjourn

After discussing all the items on the agenda, the meeting was adjourned at 7:59 p.m. The next BOD meeting is scheduled for October 16, 2025, starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

Burque Bandits

Congratulations to the members of the Zia Rifle and Pistol Club air gun team. The Burque Bandits, who took 9 medals, dominated the Valencia County Shoot.

If you are interested in joining the air gun team or want more information on air gun shooting, please contact Gary Wells. We shoot both air rifle and air pistol in supported and unsupported categories. Our matches are local with some travel to other cities in New Mexico and CMP postal matches.

The smallbore rifle silhouette group celebrated the “end of summer” with a lot of fun and food. It was a perfect day. It had rained the night before and the temperature was mild with no wind. We had 25 competitors, and we were all schooled by Rachel T. when she shot a remarkable 33. This was her 3rd competition, and she has apparently caught on! During the match we enjoyed a variety of food that was brought for the potluck lunch. If there is anything that this group enjoys more than shooting silhouettes it is enjoying eating with our friends!

Highlighted scores indicate class winners.

Please note the 5 and 10 in a row pin winners as indicated in the score table.

The matrix for this class structure is:

Master 34 - 40
AAA 28 - 33
AA 21 - 27
A 15 - 20
B 0 - 14

This class structure has no bearing on any classifications or qualifications outside of this specific match. The purpose is to allow everyone a fair chance at competition and provide a structure for advancement. The way you advance to the next level is to shoot 3 subsequent scores within the higher range(s). New shooters will shoot “unclassified” and once a score is recorded, that will be the class in which they will shoot until higher scores move them “up”.

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 yards, 10 pigs at 60 yards, 10 turkeys at 77 yards, and 10 rams at 100 yards. A total of 40 rounds are needed for a match plus sight in rounds. We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following is information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full-time allowance, if all competitors in that relay have completed firing.

Time Allowances:

COMPETITORS NAME	CHICKEN	PIG	TURKEY	RAM	TOTAL
------------------	---------	-----	--------	-----	-------

Ready Time - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two- and one-half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

Alibis - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

Shoot-offs - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the commands CEASE FIRE and READY.

The small-bore rifle silhouette match is held on the first Sunday of each month.

Setup starts at 8:00am. We will have a sight in/practice period starting after set-up and will start the match promptly at 9:00am.

This event is open to any Zia member/guest, and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

The adjacent bench rest/plinking range to the immediate West of the Small-Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety.

The bench rest rifle silhouette (formerly known as “Mouse Gun”) match is held on the second Sunday of each month.

For those of you that are wondering what we do...

For the Standard long range competition:

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2”x2” in size. The pigs which are roughly 3”x4” are set at 100 meters, the turkeys, roughly 3”x5” tall are set at 150, and the rams 6”x4” are at 200 meters.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters.

For the Xtended long range competition:

We shoot chickens at 150 yds. pigs at 200 yds., turkeys at 290 yds., and rams at 325 yds. The size of these targets are 3/8 scale much bigger than the standard 1/5 scale targets, but further away.

In order to shoot either long range match:

All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited “sighters” at the beginning sighters being shots that are fired at a 8”x11” steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the “sighters” stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus “sighters”.

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.

I encourage anyone with a .22 rifle to come out and give this a try! Most folks that have are now hooked. If you have any questions, please call or text Tom 505-350-4026

Please note, on the 2nd Sunday of each month when this match is held on the East range, the F-Class range and the Precision Tactical range is closed for the duration of this event.

**Scheduled Match in Progress
Adjacent range(s) closed for
duration of match**

You will start to see this sign at some of the scheduled matches starting in November. For safety purposes and as documented in the by laws, Article VIII, Section 2(b) states:

Matches or tournaments will take precedence over other shooting activities at the Range and for safety reasons certain ranges will necessarily be closed during the hours of the match or tournaments.

Every effort will be made to publish range closures in the Club Newsletter and on the web site prior to such a match or tournament. The Range Officer in charge of the match shall have the authority to halt firing on any adjacent ranges which he deems unsafe to the competitors or other shooters.

Closures will be as follows:

Day Scheduled	Event	Range(s) closed
1st Saturday	ARA Bench rest	Small bore silhouette & 200 yd. rifle sight in range
1st Sunday	Small Bore Rifle Silhouette	ARA Bench rest & 200 yd. rifle sight in range
1st Sunday	600 yd. Prone (F class)	Precision Tactical Rifle and Hi-power Silhouette
