The April meeting of the Zia Rifle & Pistol Club is scheduled for **Thursday, April 16th** at 7:00 PM at **Bear Canyon Senior Center, 4656 Pitt NE**. All members are welcome and encouraged to attend. If there is anything you would like to discuss, please contact Secretary, Chris Garrett.

See you there!

February 19, 2026 Zia Annual Meeting Minutes

The Zia Rifle and Pistol Club monthly board meeting was called to order at 7:02 p.m. on February 19, 2026, at Bear Canyon Senior Center, with President Pat Milesosky presiding. A quorum of the BOD was achieved with 16 of 21 board members in attendance.

Item I - Approval of Agenda

The meeting Agenda was approved with one addition (Lyn Carter: Action Pistol Berm Maintenance)

The January meeting Minutes were approved without changes.

Item II - Treasurer's report

Sharon Foreman presented the Treasurer's Report. She went over the year-to-date Statement of Activity. Nate asked how much interest income the Club can make before jeopardizing our nonprofit status. Sharon will ask the accountant and report on this at a later date. Sharon then led a discussion on the 2026 Activity budgets which all Activity Chairs in attendance confirmed. The Treasurer's Report was approved.

Item III Legislative Action Committee Report

Nate reported that all the gun control bills died during the 30-day session. The Board gave major thanks for all of Nate's hard work monitoring, testifying, and informing Zia's Membership along the way.

Item IV - Old Business

Tim Johnson presented the results of the Annual Audit to the Board. The Audit found that Zia's finances are in good shape with no major issues. He then presented several opportunities for improvement to both strengthen the financial security of the Club and provide the Treasurer with the assistance and tools needed to make the job easier. The Annual Audit Report was approved. A motion was made to adopt the proposed finance committee charter, seconded and passed. A motion was made to appoint Tim Johnson and Bill Richardson to the finance committee, seconded, and passed.

Item V - New Business

Tim Johnson presented an opportunity to purchase shotgun ammunition and sell it back to the activity participants at cost. After discussing several issues, no motions were made.

Nate Eskey led a discussion regarding the political climate in Santa Fe and SB 17 returning in some format either in a special session or the 2027 regular session. Nate to discuss with NMSSA and Del Norte the possibility of groups joining in as plaintiffs if further gun restrictions are imposed. Would like the club to take some time now to ponder and discuss so it's prepared to act accordingly in a swift manner when anti-gun legislation is passed. Being a plaintiff would afford some relief to Zia members should an injunction be issued on said lawsuit. This discussion will continue at the next meeting.

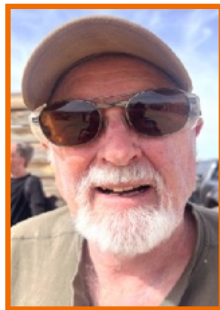

Two motions were made, seconded, and passed to allocate \$2,500 for Nate to consult with club attorney regarding various topics.

Lyn Carter on behalf of Vic: if Operating Engineers does any Zia work in the near future would like Zia to consider cleaning up the pistol berms sides and leveling the ground. Pat said he can immediately start doing some of that with the club tractor.

Item VI- Adjourn

After discussing all the items on the agenda, the meeting was adjourned at 8:06 p.m. The next BOD meeting is scheduled for 7:00 p.m. on March 19, 2026 at the Bear Canyon Senior Center at 4645 Pitt St. NE.

Member Spotlight Ron Bjornberg

Ron says he joined Zia in 1978. He said he joined because he wanted to shoot with his friends, who were members at the time.

Since he joined, Ron served on the Board of Directors for many years, as a Member at Large. And he was the Action Pistol Activity Chairman.

When asked what he likes most about Zia, Ron says he likes the organized shoots because he feels that they are well run. He also likes shooting at Zia because it is not too crowded.

The activities that Ron participates in the most are the pistol and shotgun activities. So it no wonder that who he shoots with the most, are his friends that shoot the pistol and shotgun activities.

And when asked which of his guns he enjoys shooting

the most, the answer was easy. "All of them!" was what he said!

The answer he gave when asked who he would like to get a shooting lesson from was: "I'm in my 80's. It's too late for more lessons!"

And finally, Ron says he has been retired for fifteen years and that "retirement is great!" Probably because he can spend more time at the range!

Thanks Ron!

Please Read!

Effective immediately, to ensure safety, the East Rifle Range will be closed through the 18th of April due to an FAA project taking place on the mesa to the south of Zia.

Please contact Pat at (505) 266-8904 with any questions about this closure. If you see signs at the range relating to this closure, all members are expected to abide by those signs - help inform anyone who may not have seen this notice!

Thank You!

2026 Board of Directors Meeting Schedule

All meetings are held at the Bear Canyon Senior Center, and begin at 7:00 p.m. All Zia members are welcome to attend. If there is an issue you would like to bring up to the Board, please contact Secretary, Chris Garrett a week prior to the meeting so that you may be put on the agenda.

May 21
June 18
July 16
August 20
September 17
October 15
November 19
December 17

- Volquartsen Classic .22LR, Low round count with the Brown Sporter Stock. It went back to the factory to have the barrel threaded. Scope is a Vortex Diamondback Tactical 4-16x44 in SIG Alpha rings. Classic | Volquartsen Firearms. New list is \$1785 and the scope is \$399. Asking \$1250.

- CZ 457 Varmint MTR with a threaded Lothar-Walther 20.5" 22lr stainless barrel (\$350). The receiver has been professionally bedded (\$125) and has a picatinny scope rail. The trigger is currently set at 8 ounces (spring change and polished with the Scar trigger pin). It also has a custom spiral bolt knob (\$35). Scope is a Sightron SIII long range 6-24x56 scope mounted in Burris Signature Zee rings. Asking \$1100.

- Dan Wesson Pointsman PM-9. Comes with case, 7 magazines, an Ed Brown arched mainspring housing (currently fitted), and a spare Wilson recoil spring cap. Gun is smooth and tight. Was carefully lubricated before first firing and has shot no more than 500 rounds with zero feed issues. Lists for \$2099, asking \$1150.

IM to Lewis at 907-444-8044 for photos and more details. I am in Corrales-can meet at any local FFL.

Once fired, 12-Gauge Remington Nitro, STS and Gun Club Shotgun Hulls. All sorted and separately bagged/boxed.

\$35.00 / 500 Hulls

4.50 Caliber Ammo cans, very good to Fair condition.

\$12,00

Results of the Small-Bore Rifle Silhouette Match March 1, 2026

Top Picture: left to right: Jared B., Tesa F., Casey A., Jerry C., Lu S., Marshall., Denise McT., Charles E., Kyle, Bill T.

*Tiara models: Middle Row: Kyle and Charles E.
Bottom Picture: Marshall M.*

All I can say is “WOW”. What a great day to be a silhouette shooter! Following a few weeks of heavy winds, we were blessed with a calm day and sunny skies.

We had 3 new shooters come into the fold. Marshall M. won the Unclassified class, turning in a score of 29, and getting his first 5 in a row pig pin, which afforded him a picture in the tiara. Other new shooters were Kyle and Nathan. Charles E. (in a tiara as well) shot 10 in a row pigs with open sights. Amazing!!

Jerry C. edged out Tesa F. in the master's class by one point. Look out Jerry, there's a new kid in town! And again, there were many in a row pins awarded.

Nathan	5	3	6	4	18	U
Jared B.	3	3	0	3	9	A
John L.	3	3	2	1	9	B

There were 3 relays of 1/5 size targets with 11 shooters. New shooter Kyle (who originally thought that he didn't want to shoot at the 1/5 size targets) scored an impressive 18, with his first 5 in a row chicken pin. Note how happy he looks in the above picture wearing the celebratory tiara! Jerry won overall with 29 points, with 4 other competitors coming in 2nd with 18!

1/5 Size Target Results

COMPETITORS NAME	CHICKEN	PIG	TURKEY	RAM	TOTAL
Jerry C.	7/5	9/5	6	6	28
Bill S.	4	4	7	3	18
Casey	8	3	3	4	18

Guy N.	5	3	7	0	15
Joe B.	3	2	3	6	14
Bill T.	5	3	2	1	11
Charles E.	1	4	3	3	11

Highlighted scores indicate class winners.

Please note the 5 and 10 in a row pin winners as indicated in the results tables.

The matrix for this class structure is:

Master 34 40
 AAA 28 33
 AA 21 27
 A 15 20
 B 0 14

This class structure has no bearing on any classifications or qualifications outside of this specific match. The purpose is to allow everyone a fair chance at competition and provide a structure for advancement. The way you advance to the next level is to shoot 3 subsequent scores within the higher range(s). New shooters will shoot “unclassified” and once a score is recorded, that will be the class in which they will shoot until higher scores move them “up”.

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 yards, 10 pigs at 60 yards, 10 turkeys at 77 yards, and 10 rams at 100 yards. A total of 40 rounds are needed for a match plus sight in rounds. We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following is information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full-time allowance, if all competitors in that relay have completed firing.

Time Allowances:

Ready Time - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two- and one-half minutes will be allowed to fire

one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right. **Alibis** - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

Shoot-offs - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the commands CEASE FIRE and READY.

The small-bore rifle silhouette match is held on the first Sunday of each month.

Setup starts at 8:00am. We will have a sight in/practice period starting after set-up and will start the match promptly at 9:00am.

This event is open to any Zia member/guest, and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

The adjacent bench rest/plinking range to the immediate West of the Small-Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety.

For additional information contact Sharon Foreman, email: treasurer@ziarifleandpistolclub.com

Jerry C.	6		2	6	14	Economy

continued from previous page

The bench rest rifle silhouette (formerly known as “Mouse Gun”) match is held on the second Sunday of each month.

For those of you that are wondering what we do...

For the Standard long-range competition:

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set at 60 meters and are roughly 2”x2” in size. The pigs which are roughly 3”x4” are set at 100 meters, the turkeys, roughly 3”x5” tall are set at 150, and the rams 6”x4” are at 200 meters.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters.

For the X-tended long-range competition:

We shoot chickens at 150 yds. pigs at 200 yds., turkeys at 290 yds., and rams at 325 yds. The size of these targets is 3/8 scale much bigger than the standard 1/5 scale targets, but further away.

To shoot either long range match:

All you need is a sandbag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. Following a 15 second “ready” each 10-minute relay allows for unlimited “sighters” at the beginning sighters being shots that are fired at a 8”x11” steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the “sighters” stop and you shoot 10 shots in left to right order in what is remaining of the 10-minute time allotment for score. This is all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds is needed for a match plus “sighters”.

Economy class for both Standard and X-tended long-range competition:

For those wishing to use American made bulk type ammo at a lesser cost than imported premium ammo. This allows shooters to use less expensive ammo and compete with like-minded competitors.

Open Class for both Standard and X-tended long-range competition:

For those wishing to use premium ammo the Open Class is available. There is no limit to quality, cost or brand of ammo to use.

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible and will start the match promptly at 8:00am.

I encourage anyone with a .22 rifle to come out and give this a try! Most folks that have are now hooked. If you have any questions, please call or text Tom 505-350-4026

Please note, on the 2nd Sunday of each month when this match is held on the East range, the F-Class range and the Precision Tactical range is closed for the duration of this event.

**Please
Read!**

Effective immediately, to ensure safety, the East Rifle Range will be closed through the 18th of April due to an FAA project taking place on the mesa to the south of Zia.

Please contact Pat at (505) 266-8904 with any questions about this closure. If you see signs at the range relating to this closure, all members are expected to abide by those signs - help inform anyone who may not have seen this notice!

Thank You!

The high winds made the Sporting Clays course very challenging today! For the 29 shooters who stuck with it and braved the dust and the gusts, the targets were elusive and the scores were hard earned. I hope everyone had fun! Thanks to those who helped set up, squad and clean up.

Tim Johnson

The Critical Role of Eye and Ear Protection at the Zia Rifle and Pistol Range

Safety First: Protecting Your Senses While Shooting

Whether you're a seasoned marksman or a newcomer to the sport, safety should always be your top priority at the Zia Rifle and Pistol Range. Among the most essential and often overlooked elements of range safety are eye and ear protection. The use of these protective devices is not only strongly recommended, but vital for preserving your long-term health.

Eye protection helps shield you from potential hazards such as flying debris, spent casings, and accidental firearm malfunctions. Even a small fragment or a splash of gunpowder can cause serious injury, so wearing safety glasses is a simple yet effective way to avert permanent damage.

Equally important, ear protection is necessary to guard against the intense noise generated by gunfire. Exposure to loud sounds can result in irreversible hearing loss or tinnitus, making the use of earmuffs or earplugs a must for every shooter. Consistent use of ear protection ensures you can continue enjoying the sport without sacrificing your hearing.

At the Zia Rifle and Pistol Range, adhering to these safety practices is more than just following rules it's about fostering a safe environment for everyone. Make it a habit to wear your eye and ear protection every time you shoot, and encourage others to do the same. Your senses are irreplaceable, so protect them every time you visit the range.

Albuquerque Trap Club 5-Stand

Wednesdays 10a.m - 2p.m.
Saturdays and Sundays 9a.m. - 3p.m.
Fee: \$10.00 per 25 practice targets

Calling All Competitive Shooters!

Do you shoot competitively? Have you placed or won a trophy in a match recently? If so, please let us know. We want to hear all about it. Send us your accomplishments as well as the information on the match, when it was, where and what type match it was. Please include a photo, and we will put it in the newsletter.

You can send it to:
newsletter@zizrifleandpistolclub.com or
printprof@aol.com.

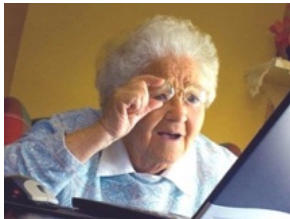

Please Read the Emails. Every One of Them.

Let's address something directly.

When the club sends an email, it is not optional reading.

Every month—sometimes every week—we receive questions, complaints, or frustrations about issues that were clearly communicated, in advance, via email. Range closures. Schedule changes. Policy updates. Legislative alerts. Lost and found notices. The information was sent. The information was clear. The information was timely. And yet, too many members still say, "I didn't see that."

Email is the primary and most effective way we communicate with a membership base of this size. It allows us to reach everyone quickly, consistently, and in writing. Social media is supplemental. Word of mouth is unreliable. Bulletin boards are limited. If you want the most

accurate and up-to-date information about your range, it will come through your inbox.

When we announce a range closure, it's not casual. It may be due to maintenance, safety concerns, weather conditions, special events, or necessary improvements. Showing up to a closed range because you didn't read the notice creates frustration for you and unnecessary strain on staff and volunteers.

When we communicate schedule changes, it's because something has shifted—sometimes with very little lead time. These adjustments are made carefully and for good reason. Ignoring those messages leads to confusion and avoidable conflict.

When we share lost and found notices, it's because members have left behind valuable firearms, equipment, or personal items. Reading those emails protects your property.

When we communicate range policy updates, those changes matter. They are tied directly to safety, liability, and the long-term health of this club. Policies are not suggestions. They are conditions of membership. If you are unaware of them because you chose not to read the email, that does not exempt you from compliance.

And when we send legislative alerts regarding attacks on the Second Amendment, that communication may be time-sensitive. These messages often include calls to action that can directly impact your rights as a firearm owner. Waiting days—or missing the message entirely—can mean missed opportunities to engage when it matters most.

We do not send emails casually. We are mindful of inbox fatigue. If you are receiving a message from the club, it is because the information is important, relevant, and necessary.

If you find our emails going to spam, fix it. Add the club address to your contacts. Adjust your filters. Take ownership of receiving the communications that protect your access, your privileges, and your rights. Membership in a private shooting range comes with responsibilities. Staying informed is one of them.

We are committed to transparency and timely communication. In return, we expect members to meet us halfway by reading what is sent.

It takes less than two minutes to scan an email. It saves hours of confusion, frustration, and preventable issues. Please read the emails. Every one of them.

Please see following page for adjacent range closures.

Important! Please Read!

**Scheduled Match in Progress
Adjacent range(s) closed for
duration of match**

You will start to see this sign at some of the scheduled matches starting in November. For safety purposes and as documented in the by laws, Article VIII, Section 2(b) states:

Matches or tournaments will take precedence over other shooting activities at the Range and for safety reasons certain ranges will necessarily be closed during the hours of the match or tournaments.

Every effort will be made to publish range closures in the Club Newsletter and on the web site prior to such a match or tournament. The Range Officer in charge of the match shall have the authority to halt firing on any adjacent ranges which he deems unsafe to the competitors or other shooters.

Closures will be as follows:

Day Scheduled	Event	Range(s) closed
1st Saturday	ARA Bench rest	Small bore silhouette & 200 yd. rifle sight in range
1st Sunday	Small Bore Rifle Silhouette	ARA Bench rest & 200 yd. rifle sight in range
1st Sunday	600 yd. Prone (F class)	Precision Tactical Rifle and Hi-power Silhouette
2nd Sunday	Small Bore Bench rest Rifle Silhouette	Precision Tactical Rifle and 600 yd. prone (F class)
3rd Saturday	ARA Bench rest	Small bore silhouette & 200 yd. rifle sight in range
3rd Saturday	Precision Tactical Rifle	Hi-power Silhouette and the 600 yd. prone (F class)
3rd Sunday	Hunter Pistol Silhouette RF & CF	Precision Tactical Rifle and 600 yd. prone (F class)

*Your best bet is to check the monthly calendar for schedule changes. However, no matter the day/date scheduled, **when the scheduled match is being held, the indicated adjacent range(s) will be closed.***
